United Way of Hood County

Hood County has been chosen to receive funding to supplement emergency food and shelter programs in the county through the Department of Homeland Security/Federal Emergency Management Agency under the Emergency Food and Shelter National Board Program. The funding, which will come in several phases, will total \$145,883. The selection was made by a national board chaired by the U. S. Department of Homeland Security's Federal Emergency Management Agency and consists of representatives from the American Red Cross; Catholic Charities, USA; National Council of the Churches of Christ in the USA; The Jewish Federations of North America, The Salvation Army; and United Way Worldwide. The local board was charged to distribute funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

The local board is made up of representatives from the Christian Service Center, Granbury Independent School District, Hood County Texas, Mission Granbury, the Red Cross, Salvation Army, and United Way of Hood County. The board will determine how the funds awarded to Hood County are to be distributed among local service agencies providing emergency food and shelter. The local board is responsible for recommending agencies to receive these funds and any additional funds made available under this phase of the program.

Eligible services and expenditures include food services, including food purchases and home delivery such as Meals on Wheels; shelter services, including hotel/motel and rent/mortgages; utility services for clients and supplies; personal protective equipment; and small equipment purchases. Under the terms of the grant from the national board, local agencies chosen to receive funds must: 1) be private, voluntary nonprofits or units of government, 2) be eligible to receive federal funds, 3) have an accounting system, 4) practice nondiscrimination, 5) have demonstrated the capability to deliver emergency food and/or shelter programs, and 6) if they are a private voluntary organization, have a voluntary board. Qualifying agencies are urged to apply.

You will need to fill out an application per phase. The phase allocations and funding areas are as follows:

Phase 39: \$23,378.00 to fund FOOD ASSISTANCE

Phase ARPA-R: \$72,256.00 to fund RENT / HOUSING ASSISTANCE

Phase 40: \$24,457.00 to fund UTILITY ASSISTANCE

Applications are due: 5:00pm Sunday, March 10, 2024

Funds are to be spent fully by December 31, 2024

Public or private voluntary agencies interested in applying for Emergency Food and Shelter Program funds should contact Crystal Moore at 817-579-5100 or via email CrystalMoore@UnitedWayHoodCounty.com . The application is available on the United Way of Hood County Website at www.UnitedWayHoodCounty.com.

Preamble

The Emergency Food and Shelter Program (EFSP) was created in 1983 to supplement and expand the work of local social service agencies, both nonprofit and governmental, to help people with **economic** emergencies (not disaster-related [i.e., fires of any kind, floods, tornadoes, etc.] emergencies). Therefore, EFSP funds are not to be used to provide emergency assistance for circumstances that are the **immediate** result of a disaster situation. EFSP funds may be used to provide economic assistance in the long term, even if the current circumstances may have been impacted by an earlier disaster occurrence. The EFSP funding is open to all organizations helping hungry and homeless people. EFSP funds must be used to supplement feeding, sheltering (including transitional sheltering) and rent/mortgage and utility assistance efforts only.

EFSP is governed by a National Board that selects jurisdictions for funding. Local Boards are convened in those qualifying jurisdictions to determine the highest need and best use of funds and to select Local Recipient Organizations (LROs) that will provide emergency food and shelter services. Each year, needs are to be assessed to respond to changes in the community.

History

The Emergency Food and Shelter Program was established on March 24, 1983, with the signing of the “Jobs Stimulus Bill,” Public Law 98-8. That legislation created a National Board, chaired by the Federal Emergency Management Agency (FEMA) that consisted of representatives of the American Red Cross, Catholic Charities USA, National Council of the Churches of Christ in the USA, The Jewish Federations of North America, The Salvation Army, and United Way Worldwide.

*A webinar providing an overview of the Emergency Food and Shelter Program is available on the EFSP website under **Training Workshops**.*

The EFSP was authorized under the Stewart B. McKinney Homeless Assistance Act (P.L. 100-77 signed into law on July 24, 1987, since renamed the McKinney-Vento Homeless Assistance Act and subsequently reauthorized under P.L. 100-628, signed into law on November 7, 1988). Since 1983 the EFSP will have distributed \$4.4 billion to over 14,000 human service agencies in more than 2,500 communities across the country.

The original authorizing legislation (PL 100-77) specifically calls for “sensitivity to the transition from temporary shelter to permanent homes and attention to the specialized needs of homeless individuals with mental and physical disabilities and illness and to facilitate access for homeless individuals to other sources of services and benefits.”

Also in accordance with the legislation, the National Board encourages Local Boards, the decision-making local bodies, to place special emphasis on identification of and assistance to the elderly, families with children, Native Americans and veterans. In addition, the authorization as revised (PL 102-550) in 1992 requires that a homeless or formerly homeless person serve on the Local Boards.

Key Changes and Program Clarifications

This Key Changes and Program Clarifications section is provided to assist in your annual reading and review of the EFSP Responsibilities and Requirements Manual (EFSP Manual); it is not a substitute for the EFSP Manual. All State Set-Aside Committee members, Local Board members and all Local Recipient Organizations (LROs) are advised to read the entire Phase 35 EFSP Manual thoroughly for complete guidelines regarding their responsibilities, program operations, acceptable expenditures and documentation requirements as significant changes have been made.

GRANT AGREEMENT ARTICLES, FINANCIAL TERMS AND CONDITIONS & OTHER TERMS AND CONDITIONS

The Emergency Food and Shelter National Board Program (EFSP) is a restricted federal grant. All federal grants have terms and conditions that apply to ALL parties participating in the grant. For the EFSP, all parties means the National Board which is considered the Recipient, State Set-Aside Committees (SSAs), Local Boards, and Local Recipient Organizations (LROs) that are considered the Sub-Recipients. All parties need to ensure their understanding of the EFSP Manual and the statements on the Certification Forms. By signing the Certification Forms, they are agreeing to specific program requirements of the National Board as well as those mandated by the Federal government, including those that do not appear to apply to the types of programs and activities eligible under the EFSP. All parties will be held accountable for the provisions of the grant.

For further detail, please reference [pages 45- 56](#).

ELECTRONIC SIGNATURES

Starting in Phase 35, all Local Board Plans, Local Recipient Organization Certifications, Fiscal Agent/Fiscal Conduit Relationship Certification Forms, Lobbying Certifications, Second Payment Requests, Final Reports and Spending Period End Date Extension Requests must be electronically signed using DocuSign. You do not need a DocuSign account to electronically sign EFSP documents and there is no cost for using DocuSign for EFSP documents. Please review the updated Website User Guide for step-by-step instructions for submitting forms on the EFSP website and electronically signing. The User Guide may be found on the EFSP website, (www.efsp.unitedway.org).

ADVERTISING AND ACKNOWLEDGEMENT OF FUNDS

All parties as referenced in the Grant Agreement Articles must acknowledge EFSP funding as Federal funds awarded through the Department of Homeland Security. The acknowledgment must be included in Local Boards' advertisement of funding to the jurisdiction and any printed material, including request for proposals, bid invitations, etc.

For further detail, please reference [pages 26-27, 45-46, and 109-111](#).

COMMUNICATING WITH THE NATIONAL BOARD VIA EMAIL

There are two email addresses for communicating with the National Board. Effective as of July 1, 2016, ALL documents submitted by State Set-Aside Committees, Local Boards and LROs via email to the Emergency Food and Shelter Program (EFSP) office must be sent to documentstoefsp@uww.unitedway.org.

Also, effective as of July 1, 2016, the new email address to send inquiries to the program is efsp@uww.unitedway.org. Only questions concerning the program should be sent to this email address.

For further details, please reference **pages 30 and 63.**

AUDIT REQUIREMENTS – CHANGE TO THRESHOLDS

LROs must have their records audited by an independent certified or public accountant if receiving \$100,000 or more in EFSP funds. If an LRO receives from \$50,000 to \$99,999, they must have an annual accountant’s review.

Local Boards must ensure that LROs expending \$750,000 or more in Federal funds, comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 of the Office of Management and Budget.

For further details, please reference **pages 37, 42, 59, 80, 92-93, and 103-106.**

LOCAL BOARD MEMBERSHIP – HOMELESS PARTICIPATION

Legislation requires all Local Boards to include in their membership a homeless or formerly homeless person. Local Boards must seek recommendations from LROs for an appropriate representative.

Local Boards who are unable to secure a homeless or formerly homeless representative must have a past recipient of food or shelter services or a homeless advocate on their Local Board. A homeless advocacy group may be invited to serve this roll only if those noted previously are unavailable to serve.

For further detail, please reference **pages 24-26, and 92.**

LOBBYING CERTIFICATION

By signing the LRO Certification Form, each LRO is certifying that EFSP funds will not be used for any type of lobbying activities. Additionally, LROs receiving \$100,000 or more in EFSP funds must complete and submit the Certification Regarding Lobbying Form. The total of the funds is based on the original allocation to the LRO, plus any combination of subsequent awards to the LRO, including reallocations made by the Local Board.

If the Certification Regarding Lobbying Form is not submitted to the National Board, the funds may be held until it has been provided.

For further detail, please reference **pages 42, 49, 60-61, and 95.**

SPENDING PERIOD EXTENSIONS

The National Board may determine on an annual basis to exercise the option to extend the spending period when the receipt of funding is delayed in the federal appropriations or award process. The National Board may choose to exercise this option when funds are received after the first quarter of the federal fiscal year. The National Board will determine the dates of the extension option beyond the end of the calendar year. The National Board has exercised this option; the spending period options for Phase 35 are:

LOCAL BOARD - LRO CERTIFICATION FORMS

Local Boards are required to have all agencies selected as LROs on the Local Board Plan e-sign and date the LRO Certification Form at the beginning of each funding cycle. A copy of this form must be retained by both the Local Board and the LRO. The certification forms for all funded LROs must be submitted electronically and e-signed by accessing the forms under LRO Plan. Funds will not be issued to any LRO who has not e-signed and dated the LRO Certification Form. Only the LRO Certification Form provided by the National Board for the funding cycle will be accepted. The National Board's LRO Certification Form process has changes from prior phases with the introduction of DocuSign. The National Board's form may not be amended in any way. Local Boards wishing to have appropriate additional requirements regarding the funding of LROs may submit an addendum with the National Board's form. The addendum must also be submitted to EFSP with the Local Board Plan.

For further detail, please reference [pages 92 and 93](#).

LOCAL RECIPIENT ORGANIZATION - LRO CERTIFICATION FORMS

Each Local Recipient Organization (LRO) is required to sign and date the LRO Certification Form at the beginning of each funding cycle. A copy of this form must be retained by the LRO and provided to the Local Board for submission to the National Board. Funds will not be issued to any LRO who has not provided the signed, dated LRO Certification Form. Only the LRO Certification Form provided by the National Board for the funding cycle will be accepted. The National Board's LRO Certification Form has changes from prior phases. The National Board's form may not be amended in any way. Local Boards making appropriate additional requirements regarding the funding of LROs may add an addendum to the National Board's form. The addendum must also be submitted to EFSP by the Local Board with the Local Board Plan.

For further detail, please reference [page 93](#).

STATE SET-ASIDE COMMITTEE (SSA) - MINIMUM AWARD PER JURISDICTION

The minimum award that may be awarded to a jurisdiction by the SSA Committee for Phase 35 is \$2,800.00 and applies to all jurisdictions selected for funding by the SSA. This minimum award applies even if the SSA is giving additional funding to a jurisdiction that was funded by the National Board's formula. SSAs acting as Local Boards must follow the Local Board requirements regarding minimum awards to LROs.

For further detail, please reference [pages 20-21](#).

LOCAL BOARD - MINIMUM AWARD TO A LOCAL RECIPIENT ORGANIZATION (LRO)

The minimum funds that may be awarded to an LRO by a Local Board for Phase 35 is \$500.00 and applies to all LROs selected for funding by the Local Board. If an LRO is receiving only administrative funds; the award amount may be less than the \$500 minimum.

For further detail, please reference [pages 22 and 28](#).

DOCUMENTATION REQUIREMENTS

LOCAL BOARD AND LRO FORMS:

Only EFSP provided forms will be accepted from State Set-Aside Committees, Local Boards and LROs and must be e-signed using DocuSign. EFSP provided forms may not be altered by either Local Boards or LROs. Local Boards making additional appropriate requirements may add an addendum to the National Board's LRO Certification Form for LROs to also sign and date. This addendum must be submitted to the National Board. (Note: LROs may use their own forms for intake and to document expenditures. EFSP provides several sample forms in the Annex section of the Manual. These forms may be copied onto LRO letterhead and the use of these samples should eliminate compliance problems, provided the forms are fully and accurately completed.) For further detail, please reference [pages 97-102](#).

SPREADSHEETS FOR ALL PROGRAM CATEGORIES:

A spreadsheet for each program category (mass feeding, other food, mass shelter, other shelter, supplies/equipment, rent/mortgage, utilities and administration) must be maintained and must be provided when documentation is reviewed for the EFSP. The documentation for EFSP expenditures must support the information on the spreadsheet. Spreadsheets will provide an overview of how EFSP funds were spent and serve as a checklist with which the documentation can be compared. Sample spreadsheets can be found on the EFSP website. Specific information must be provided on the spreadsheets (i.e., check number, date of check, vendor, client name [as needed], amount of check, amount of check attributed to EFSP, etc.). Reference the sample spreadsheets on the website for the required elements for each spending category. Spreadsheets should be in the appropriate order as should the supporting documentation for each individual program category. EFSP will accept spreadsheets/schedules/reports from an LRO's financial system provided the spreadsheets/schedule/report contains the required elements.

IMPORTANT CHANGE: If an LRO pays \$100 or less on a past-due utility bill balance for a client, on the utility spreadsheet in the billing period column, please insert N/A. No billing period is required for the expenditure. Do not leave the column blank. If the column is left blank, it will result in a compliance exception.

For further detail, please reference [pages 65-74, 79, and 83-91](#).

PROOF OF PAYMENT:

EFSP funding is intended to be used as necessary to meet emergency need and expenditures incurred under EFSP must be promptly paid to vendors. Generally, payments should be made to vendors within one accounting cycle (normally 30 days). However, the EFSP will allow payments made not more than 90 days from the invoice or intake date as appropriate. LROs must ensure any amount paid and attributed to EFSP is still due in its entirety at the time payment is made. Payments made more than 90 days following the invoice or intake date will be considered ineligible and funds will be subject to return to the National Board. It is the intent of EFSP that funds received by LROs are used for costs incurred during the program period and that vendors be paid during the program period to the extent possible. It is also the intent of EFSP that goods or services be purchased and used during the program period. Large purchases made at the end of the program period do not meet this intent and may be considered ineligible. For further detail, please reference [pages 63-64 and 79](#).

REMINDER – NO FEE REQUIREMENT FOR SERVICE

No individual, family or household may be charged a fee for service or be required to attend religious/counseling services with relation to assistance received under EFSP. Please note, EFSP does not consider the receipt of donations to an agency to be the same as a fee for service. The receipt of donations does not prevent an agency from participating in the EFSP.

For further details reference [page 63](#).

REMINDER – CHARGING BACK OF ELIGIBLE EXPENDITURES

LROs may submit expenditures for items and services procured prior to receiving EFSP funds. The expenditures must be incurred during the spending period and be eligible under EFSP program guidelines. All documentation requirements for the category in which the expenditures are reported will apply.

(Documentation required: Spreadsheets for the categories, documentation including invoices/receipts and proof of payment.)

For further details reference [page 74](#).

REMINDER – PAYMENT TO VENDOR (NOT MORE THAN 90 DAYS)

Payments must be made to vendors for all eligible expenditures, by an approved method, not more than 90 days after the receipt/invoice date or the date of the client intake form. Payments made more than 90 days following the invoice or intake date will be considered ineligible and funds will be subject to return to the National Board.

For further details reference [pages 63-64 and 79](#).

REMINDER – DOCUMENTATION RETENTION

LROs are to keep their documentation records for three years after each end of program year. Documentation includes but is not limited to: LRO Certification form, application for funding, Local Board approval of funding, Second Payment Request/Interim Report, Final Report, spreadsheets, all expenditure documentation (vendor invoices/receipts and proof of payment).

Since documentation must be retained for three years, all of those years are subject to review/audits at any time, even if the LRO has filed Final Reports and received clearing letters.

For further details, reference [pages 35, 42, 58, and 105-106](#).

REMINDER - MEETING FREQUENCY

The National Board requires Local Boards to select one of the following options for meetings during the Phase and specify such in the required materials (Local Board Plan Certification and Final Report submission). Meetings may be conducted via conference calls.

QUARTERLY MEETINGS: The National Board encourages Local Boards to meet quarterly to monitor the program and ensure LROs are implementing the program according to guidelines.

SEMI-ANNUAL MEETINGS: Local Boards electing to meet semi-annually must also monitor the program and ensure LROs are implementing the program according to guidelines. Local Boards electing to hold meetings semi-annually must

submit copies of their meeting minutes with the jurisdiction's Final Report. Failure to return this information may result in the delay of any future funding to the jurisdiction.

For further detail, please reference [page 25](#).

REMINDER - LOCAL BOARD VOTING – ORGANIZATION AFFILIATION

Local Board membership must have no relationship to funding and is not a guarantee of funding. Local Board members must abstain from voting on award applications for their own agency. Local Board members do not have to abstain from voting on award applications based on religious or other affiliations.

For further detail, please reference [page 23](#).

Key Dates for Phase 35

The National Board sets key program dates during the course of each phase in an effort to ensure funds are released in a timely manner to eligible Local Boards and their LROs. ***All dates are subject to change and may be changed unilaterally by the National Board, as needed***, including submission of Local Board Plans, Second Payment Requests, EFT enrollment, and Final Reports. Local Boards will be notified of changes via email, as necessary. ***The failure of Local Boards and LROs to adhere to the key program dates may result in the loss of funds.***

National Board Responsibilities

The Emergency Food and Shelter National Board Program (EFSP) is a restricted federal grant. All federal grants have terms and conditions that apply to all parties participating in the grant. For the EFSP, all parties means the National Board which is considered the Recipient, State Set-Aside Committees (SSAs), Local Boards, and Local Recipient Organizations (LROs) that are considered the Sub-Recipients. See Grant Agreement Articles, Financial Terms and Conditions and Other Terms and Conditions, pages 45-62 for additional requirements.

The National Board will:

1. Select jurisdictions of highest need for food and shelter assistance and determine amount to be distributed to each. The National Board's formula is based upon average unemployment statistics from the U.S. Department of Labor, Bureau of Labor Statistics for the most current 12-month period available and poverty statistics from the U. S. Bureau of the Census. The poverty is based on the data collected in the American Community Survey (5-year estimates, 2011 – 2015). Poverty and unemployment were selected as the best indicators of need available nationwide at the city or county level. The National Board adopted these combined criteria (i.e., unemployment and poverty) to more effectively target funds for high-need areas and to allocate these funds rapidly and fairly.
2. Develop the operational manual and establish criteria for expenditure of funds and distributing funds.
3. In jurisdictions that received previous awards, notify the jurisdiction that new funds are available. In areas newly selected for funding, notify the local United Way, or other National Board organization to request that a Local Board be formed. The National Board will notify qualifying jurisdictions of award eligibility within 60 days following allocation by the Federal Emergency Management Agency (FEMA).
4. Provide copies of award notification materials to National Board member affiliates and other interested parties.
5. Secure board plan, certification forms and board roster from Local Boards. Secure Second Payment Request and Interim Reports and Final Reports from Local Boards. Ensure Local Boards and Local Recipient Organizations (LROs) comply with established guidelines.
6. Distribute funds to selected LROs.
7. Review and grant requests for program variances submitted by Local Boards.
8. Establish an equitable system to accomplish the reallocation of unclaimed or unused funds including hearing special requests from State Set-Aside Communities and Local Boards.
9. Ensure that funds are properly accounted for and that funds due are collected.
10. Provide consultation and technical assistance regarding the program.
11. Compile reports from data received from the Local Boards and submit a detailed accounting of use for all program monies in the form of a report to FEMA.
12. Conduct compliance reviews of food and shelter expenditures made under this program for specified LROs. The National Board, DHS/FEMA, the National Board's public accounting firm, or the Office of the Inspector General may also conduct an audit/review of these funds. The National Board is also responsible for monitoring LRO compliance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 of the Office of Management and Budget (Uniform Guidance) [Item 7, page 54](#). Site reviews are performed for specific LROs participating in the program as part of monitoring.

National Board Administration and Secretariat

The National Board has selected United Way Worldwide as the Secretariat and Fiscal Agent to perform the necessary administrative duties for the Board. An administrative allowance of one percent of the total award may be used for National Board administration.

Grant Payment Process

United Way Worldwide has been designated as the Fiscal Agent for the National Board and as such will process all Local Board plans and make payments directly to eligible LROs recommended by Local Boards for funding.

The National Board will not issue any payments to a jurisdiction until the previous phase's final report has been received in its entirety. No payments will be issued to any LRO with any known or unresolved compliance problems in any jurisdiction in which they have previously received funds including the previous phase's final report, if reviewed.

Payments will also not be issued to LROs with identified exceptions/findings in any compliance review, audit or assessment conducted which includes EFSP funding.

Method of Payment

All awards will be paid in two equal installments. Except for the first check to newly funded LROs, **the National Board will make all payments by electronic funds transfer (EFT) only.** If an LRO has received funds subsequent to October 1998 (Phase 17), they are not considered new for payment purposes; therefore, they must have **EFT** in place to receive payments. This authorization form is made available to each new LRO with their first payment notice and may be printed from the EFSP website or it may be obtained by **contacting the National Board staff for the preprinted authorization form.**

*To add/update EFT information, the LRO must log into the EFSP website. On the left-hand menu, there is an option for EFT, where you will find the appropriate form and instructions. This form is specific to each LRO and cannot be generated by the Local Board. There is a webinar with detailed instructions on how to set up an EFT on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

First Payments

The National Board will issue first payments upon the acceptance of the Local Board Plan. First payments will be made by EFT to eligible LROs funded in the previous phase. **LROs with any known compliance problems from any phase in any jurisdiction in which they received funds are not eligible to be paid until all compliance problems are resolved.**

EFSP releases funds in two installments. The first payment is distributed after the Local Board Plan has been processed, accepted and the Final Report from the previous Phase has been received. The second payment is released after the Final Report from the previous Phase has been accepted and an Interim Report/Second Payment Request is submitted and approved.

The National Board will issue checks to newly funded eligible LROs (those not funded prior to the EFT requirement established in October 1998) for the first payment only.

Awards totaling \$100,000 or more will only be paid upon submission of the Certification Regarding Lobbying. See [Annex 5, page 95](#).

Second Payments

Second payments will be made to eligible LROs once the jurisdiction's compliance review of the previous phase is completed and any compliance problems resolved in any jurisdiction in which an LRO has received funds. Compliance resolution after the end of the funded phase does not guarantee that any remaining award will be forthcoming. Notice of second payments will be made to Local Boards and LROs, via email, only upon the submission of each LRO's Interim Report/Second Payment Request Form. See [pages 32-32](#) for further details. **This form is available on the EFSP website only after an LRO has received their first payment.**

The Interim Report/Second Payment Request submission is a two-step process. The LRO must report on the first payment by indicating how the funds were spent to date in the categories through the online form. If funds were unspent, they must be entered in the unspent category on the form. The Interim Report/Second Payment Request must only reflect the total of the first payment issued to the agency. The LRO will then electronically sign the Interim Report/Second Payment Request Form generated by DocuSign. Then the Local Board will approve and electronically sign the Interim Report/Second Payment Request Form through DocuSign once the Local Board assures the LRO is implementing the program as intended and according to EFSP guidelines or other requirements established by the Local Board.

*A webinar detailing the process for submitting an Interim Report and Second Payment Request is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

Second payment requests must be submitted via the website by each funded LRO and both the LRO and Local Board must electronically sign the Interim Report/Second Payment Request through the DocuSign process provided by EFSP to complete the submission to the National Board.

The National Board will advise Local Boards and LROs of the deadline to request all second payments under Phase 35. Second payments will be held until all compliance exceptions (if any) are satisfied by the LRO. LROs with unresolved compliance exceptions or compliance exceptions resolved after the end of the funded phase **may not be paid.**

Subsequent Payments

If an LRO receives additional EFSP funds after the second payment has been made (e.g., through a national reallocation), the National Board will issue a subsequent payment to the LRO once the reallocation is made; notification will be sent via email.

State Set-Aside Payments

State Set-Aside funding will be included either in part with the first and second payment or in whole with the second payment, if the first payment has already been made.

Client Eligibility

The EFSP is a need based program, for which clients must qualify.

EFSP is a need based program. Client qualifications are set locally based on the needs of the community.

The National Board does not set client eligibility criteria. Local Boards may choose to set such criteria. If the Local Board does not set eligibility criteria, the LRO may use its existing criteria or set criteria for assistance under this award. Any criteria used must provide for assistance to needy individuals without discrimination (age, race, sex, religion, national origin, disability, economic status or sexual orientation), sensitivity to the transition from temporary shelter to permanent homes and attention to the specialized needs of homeless individuals with mental and physical disabilities and illness and to facilitate access for homeless individuals to other sources of services and benefits. In providing assistance under the EFSP, verification of proof of citizenship or qualified alien status of any applicant for assistance is not required. **Note: Funds allocated to a jurisdiction can only be used for permanent residents and transients within that jurisdiction.**

FEMA Responsibilities

The Federal Emergency Management Agency (FEMA) will:

1. Constitute a National Board consisting of individuals affiliated with American Red Cross; Catholic Charities USA; National Council of Churches of Christ in the USA; The Jewish Federations of North America; The Salvation Army; United Way Worldwide; and the Federal Emergency Management Agency (FEMA).
2. Chair the National Board, using parliamentary procedures and consensus by the National Board as the mode of operation.
3. Provide policy guidance, monitoring and oversight, Federal coordination and staff assistance to the National Board.
4. Award the grant to the National Board.
5. Assist the Secretariat and Fiscal Agent in implementing the National Board Program.
6. Report to Congress on the year's program activities independently and through the U.S. Interagency Council on Homelessness Annual Report.
7. Through the DHS Office of the Inspector General (OIG), and FEMA Office of the Chief Financial Officer (OCFO), monitor the National Board's annual audit of the program.
8. Monitor the overall administration and management of the grant expenditures.
9. Obtain reports from the Secretariat and Fiscal Agent, which provide detailed accounting of all program monies.

State Set-Aside Committee Responsibilities

The Emergency Food and Shelter National Board Program (EFSP) is a restricted federal grant. All federal grants have terms and conditions that apply to all parties participating in the grant. For the EFSP, all parties means the National Board which is considered the *Recipient*, State Set-Aside Committees (SSAs), Local Boards, and Local Recipient Organizations (LROs) that are considered the *Sub-Recipients*. See Grant Agreement Articles, Financial Terms and Conditions and Other Terms and Conditions, pages 45-62 for additional requirements.

The **State Set-Aside (SSA)** Committee process under the Emergency Food and Shelter Program allows greater flexibility in selection of jurisdictions to target pockets of homelessness or poverty. The SSA Committee should consider jurisdictions which have documented measures of need that are not adequately reflected in unemployment or poverty data, areas experiencing drastic economic changes such as plant closings, and areas with high levels of unemployment or poverty which do not meet the minimum level of unemployment to qualify under the National Board's formula.

Basis of State Award

Funds allocated to SSA Committees will be based on a ratio calculated as follows: each state's average number of unemployed in non-funded jurisdictions divided by the average number of unemployed in non-funded jurisdictions nationwide equals each state's percentage of the total amount available for SSA awards. **There will be no SSA award should all jurisdictions in a state qualify for funding except to satisfy a minimum award per state.**

Deadline

The National Board will provide SSA Committees with a specific deadline for the submission of award materials. The deadline is approximately 25 working days after award notification. **State Set-Aside Committees not meeting this specific deadline risks the loss of these funds.**

For technical assistance in administering this program, please contact EFSP staff at 703-706-9660 or efsp@www.unitedway.org. Please have your 6-digit Local Board ID number ready when you call.

Selection of SSA Jurisdictions

SSA Committees in each state will submit high need jurisdictions and award amounts to the National Board. **SSA Committees must give priority to and consider the special circumstances of jurisdictions that did not meet criteria for direct funding, including those that qualified in the most recent funding phase or other prior phases.** SSA Committees may wish to provide these jurisdictions with an allocation so that the abrupt change in funding status is not too disruptive to local services.

SSA Committees may consider qualifying jurisdictions with extreme need for additional funding. SSA Committees wishing to provide additional funding to qualifying jurisdictions **must** submit a request to the National Board.

SSA Committees must submit a variance request form to the National Board to fund directly qualifying jurisdictions. The required variance form is included in the SSA award packet.

The National Board recommends that SSA Committees consider current state and/or local data in their decision making; however, the National Board does not mandate any particular formula.

These committees are free to act independently in developing their funding formula and in selecting jurisdictions for funding; however, each SSA Committee funding formula is subject to review by the National Board. SSA Committees

must provide the National Board with selection criteria and the formula used to determine jurisdictions to receive funds according to the required process.

The minimum SSA award that may be made to a jurisdiction is \$2,800.

Composition

The National Board will notify the chair or contact of the previous SSA Committee of the award amount available. In a state where there are state-level affiliates of the voluntary organizations represented on the National Board, they **must** be invited to serve on the SSA Committee. If no single state affiliate exists, appropriate representatives should be invited. The National Board member agencies are the Federal Emergency Management Agency (FEMA), American Red Cross, Catholic Charities USA, The Jewish Federations of North America, National Council of the Churches of Christ in the USA, The Salvation Army and United Way Worldwide. **The Governor or his/her representative will replace the FEMA member.**

SSA Committees are encouraged to expand participation by inviting or notifying other nonprofit organizations on the state level. The National Board encourages SSA Committees to include Native Americans, minorities, and other appropriate representatives on the committee. Members of the SSA Committee shall elect a chair each phase.

Participation of Special Emphasis Groups

Additionally, SSA Committees should involve and include the needs of the special emphasis groups identified in the legislation (e.g., elderly, families with children, Native Americans, veterans, and mentally and physically disabled) in convening their committees and selecting areas for funding.

SSA Committee Function

SSA Committees must develop a formula that considers needs and resource gaps in services, to select high-need jurisdictions to determine award amounts (*minimum \$2,800*) within the state. When selecting jurisdictions with demonstrated need, the National Board encourages the consideration of jurisdictions incorporating or adjoining Native American reservations. The SSA Committee will notify the National Board, as required of its selections and the appropriate contact person for any selected jurisdiction without a previously established Local Board or contact. The National Board will then notify these jurisdictions directly of their awards.

If the selected jurisdictions do not claim awards, SSA Committees may recommend other jurisdictions to receive the unclaimed funds.

SSA Committees may reclaim funds from jurisdictions that do not claim their award in an appropriate amount of time and reallocate those funds to other jurisdictions.

Administrative Allowance

The SSA Committee may use an administrative allowance of one-half of one percent (1/2%) of the total SSA award for its administrative costs.

Local Board Responsibilities

The Emergency Food and Shelter National Board Program (EFSP) is a restricted federal grant. All federal grants have terms and conditions that apply to all parties participating in the grant. For the EFSP, all parties means the National Board which is considered the *Recipient*, State Set-Aside Committees (SSAs), Local Boards, and Local Recipient Organizations (LROs) that are considered the *Sub-Recipients*. See Grant Agreement Articles, Financial Terms and Conditions and Other Terms and Conditions, pages 45-62 for additional requirements.

The National Board assigns each jurisdiction a unique ID number for the program as well as numbers for each LRO. When contacting the National Board for assistance regarding this program, please reference your 6-digit Local Board ID number (example: 1234-56).

Each award phase is new; therefore, the Local Board is a new entity in every phase. The convener of the Local Board must ask each National Board agency to designate or re-designate a representative every program year. Other invited agencies must also designate or re-designate a representative each year. Each agency represented on the Local Board should have an alternate from their agency to attend meetings when the designated board member is unable to attend. If there is more than one representative from an agency/organization present, only one vote is allowed for the agency/organization. To ensure funding, the Local Board chair or staff must submit via the website, and return all required current, updated forms as follows to the National Board by the specified deadline:

1. Local Board Plan, including LRO information via the website with designation of dollar amounts [whole dollars only of \$500 or more] awarded;
2. Signed Local Board Certification Form,
3. Local Board Roster, (the roster information must be updated via the EFSP website prior to submission)
4. **LRO Certification Form for all funded LROs; and,**
5. Certification Regarding Lobbying Forms, as needed.

The National Board assigns each jurisdiction a unique ID number under this program as well as numbers for each LRO either new in this phase or previously funded. **When contacting the National Board for assistance regarding this program, please reference your Local Board's ID and LRO ID numbers, if needed.**

For technical assistance in administering this program, please contact EFSP staff at 703-706-9660 or efsp@www.unitedway.org. Please have your 6-digit Local Board ID number ready when you call.

Composition/Roster

Each jurisdiction designated by the National Board to receive funds will constitute a Local Board. Local representatives of the National Board member agencies must be invited to serve on the Local Board. The National Board member agencies are the Federal Emergency Management Agency (FEMA), American Red Cross, Catholic Charities USA, The Jewish Federations of North America, National Council of the Churches of Christ in the USA, The Salvation Army and United Way Worldwide. **An agency's own governing board cannot replace or act as the Local Board.**

The highest ranking county government official or his/her designee will replace the National Board's FEMA member.

National Board Affiliates

Each Local Board will provide a roster of current members with their plan. The roster must reflect the status of National Board member agencies. If a National Board member agency does not serve the jurisdiction, this must be noted on the Local Board roster. The National Board requires complete business contact information for all Local Board members. Required information for all Local Board members consists of:

- the name of the agency they are representing;
- the Board Member's name;
- the address including zip + 4;
- the telephone number,
- the fax number; and,
- a current, valid email address.

*Local Boards cannot delete a board member from a required National Board affiliate without replacing them with a representative from the same agency. We recommend editing and updating the contact information for required National Board affiliates, instead of adding new members and deleting old members to ensure you have appropriate representation. To do this, select **Manage LB Members** from the left-hand menu. Then select the board member you would like to change, and click edit. After you have changed the contact information, click save.*

If an agency is invited but chooses not to participate, the same information must be provided noting that they were "invited but did not participate" on the Local Board roster. The name of the individual invited must be included along with all of the agency contact information.

If the convener of the Local Board is unsure of the appropriate National Board affiliate to invite, they should check the National Board members' agency's website. In jurisdictions where affiliates of National Board agencies do not exist, other appropriate groups and individuals **must** be invited to sit on the Local Board. For example, if there is no Catholic Charities, a comparable Roman Catholic group or a priest could serve. In the case of The Jewish Federations of North America (JFNA), if no local Jewish Federation exists in a given jurisdiction, each Local Board must first check with JFNA to identify local JFNA-affiliated Jewish organizations to serve. Please check their web site, www.jewishfederations.org, or you may call JFNA at (202) 785-5900. If none are available, then a comparable group or synagogue representative may be asked to serve. The National Council of Churches of Christ (NCCC) is a wide spectrum of Protestant, Anglican, Orthodox, Evangelical, historic African American and Living Peace churches. The NCCC could be represented by a local or regional ecumenical or interfaith council of churches in partnership with the NCCC, or a representative of a congregation of one of the member communions of the NCCC. To establish whether a potential board member is an appropriate representative of the NCCC, contact the Office of the General Secretary at 212-870-3398.

It is not a requirement for either a mandated National Board member agency or other agencies to have a physical site in a jurisdiction in order to be on the Local Board. Any agency providing services to a jurisdiction may be invited to participate on the Local Board and National Board member agencies serving a jurisdiction **must** be invited even if their primary physical location is in an adjoining jurisdiction.

Local Board Membership & Voting

Agencies are represented on Local Boards and each agency is entitled to one vote. Each agency must name a representative to the Local Board although other individuals may also attend meetings. When voting, only the official representative (or designated alternate) may vote on behalf of the organization.

Local Board membership must have no relationship to funding and is not a guarantee of funding. Local Board members must abstain from voting on award applications for their own agency. Local Board members do not have to abstain from voting on award applications based on religious or other affiliations.

In jurisdictions where multiple organizations exist, the organization still only gets one vote and the agencies must work together and vote as one. For example, United Way of County – North and United Way of County – South are considered to be one organization – United Way. United Way gets one vote. Additionally, no United Way may vote on any United Way award. The same would be true for multiple units of The Salvation Army, Community Action Agency, local government, etc.

Participation by Homeless, Formerly Homeless or Homeless Advocate

Legislation requires all Local Boards to include in their membership a homeless or formerly homeless person. Local Boards **must** seek recommendations from LROs for an appropriate representative.

Local Boards who are unable to secure a homeless or formerly homeless representative **must** have a past recipient of food or shelter services or a homeless advocate on their Local Board. A homeless advocacy group may be invited to serve this roll only if those noted previously are unavailable to serve.

Native American Participation

Legislation requires that if a jurisdiction is located within or encompasses a Federally recognized Native American reservation, the Local Board **must** invite a Native American representative to serve on the Board. In addition, legislation requires that if there is a Native American population in a jurisdiction, they must be invited to serve.

Local Board Expansion

The designated members of the Local Board are encouraged to expand their membership by inviting participation from minority populations and other private nonprofit organizations and government organizations. In addition, all geographic areas within the jurisdiction should be represented. Local Boards may want to expand to broaden community input from other national nonprofit organizations (e.g., Community Action, Feeding America, Volunteers of America) as well as those providing emergency food and shelter services (e.g., food pantries, soup kitchens, domestic violence shelters). In designing the EFSP, Congress created a unique public-private partnership that brings the voluntary sector and the government together to address critical human needs in the areas of hunger and homelessness. When expanding, Local Boards should carefully cultivate this public-private partnership.

Participation of Special Emphasis Groups

In expanding, Local Boards **must** involve organizations that advocate for or provide services to the special emphasis groups identified in the legislation (e.g., elderly, families with children, Native Americans, veterans, and mentally and physically disabled).

Election of Chair

The members of the Local Board **must** elect a chair each award Phase. The Local Board chair is not an honorary position. Local Boards may also designate staff and/or a contact person for their jurisdiction. **Care must be taken to select individuals who are reliable, accessible and knowledgeable about the program.**

Keeping contact information up to date is critical for EFSP communication and DocuSign procedures.

Notifications of Changes in Contacts/Addresses

Local Boards are responsible for maintaining a current roster of members and LRO information via the EFSP website. Local Boards must notify the National Board of changes in Local Board chair, staff contact, or LRO contacts, including complete business addresses, phone numbers, fax numbers and

current, valid email addresses. This information must be submitted via the EFSP website. Board and LRO changes should be updated as they occur throughout the Phase.

Local Board Participation

The National Board will communicate with Local Board chairs, contacts, members and LROs primarily through email. For EFSP purposes only, email addresses and other contact information may be shared, so business information and email is recommended. Local Board membership is not honorary. If a member cannot regularly attend meetings, that member's designated agency must select a replacement. The designated agency must also designate an alternate. If a member must be absent from a meeting, the agency's alternate should attend.

Convening the Local Board

If a locality has not previously received funding and is now designated as being in high need, the National Board has designated the local United Way to constitute and convene a Local Board. In the event there is no local United Way, or the United Way does not convene the Board, a representative from one of the National Board organizations will convene the initial meeting of the Local Board.

Reconvening the Local Board

If a jurisdiction has previously received funds, the National Board will contact the Local Board chair or designated contact person from the previous phase regarding funding. If the previous Local Board chair/contact fails to convene the Local Board for the new award, the process noted above will be followed. If the previous phase's Local Board has failed to comply with National Board guidelines, the National Board will work to find another Local Board convener.

Local Board Meetings

The National Board requires Local Boards to select one of the following options for meetings during the Phase and specify such in the required materials (Local Board Plan Certification and Final Report submission). **Meetings may be conducted via conference calls.**

1. **Quarterly meetings:**

The National Board encourages Local Boards to meet quarterly to monitor the program and ensure LROs are implementing the program according to guidelines.

2. **Semiannual meetings:**

Local Boards meeting twice a year must also monitor the program and ensure that LROs are implementing the program according to guidelines. They must also ensure all program requirements and deadlines are met, including the submission of both online materials and required paperwork.

Local Boards electing to hold meetings semiannually must submit copies of their meeting minutes with the jurisdiction's Final Report. Failure to return this information may result in the delay of any future funding to the jurisdiction.

Quorum Requirements

A quorum of member agencies must be present for meetings to be official and to take any action. (Quorum: According to Webster's New Collegiate Dictionary, the majority of officers or members of a body that when duly assembled is legally competent to transact business.) If there is more than one representative from an agency/organization present, **only one vote is allowed for the agency/organization.** Meeting minutes must be voted on and approved by the Local Board at the next meeting. Meeting minutes must also be available to the National Board, Federal authorities, and the public upon request.

Meeting Minutes

Meeting minutes must include but are not limited to the following:

- names of members attending;
- members absent;
- notation of participation of homeless or formerly homeless member;
- date, time and location of the meeting;
- approval of previous Local Board meeting minutes;
- agenda action items (decision making items, votes taken [i.e., election of chair, allocation of funds, reallocation]);
- date, time and location of next meeting; and,
- meeting adjournment.

Local Boards that meet semi-annually are required to submit their meeting minutes with their final report.

Minutes must include sufficient detail of the Board's discussion and decisions.

Local Board Plan Deadline

The National Board will provide Local Boards with a specific deadline for the submission of the board plan with award materials. The board plan must be submitted via the EFSP website using the instructions provided. Following the online submission, all required paperwork must be received by the National Board for the submission to be complete. The deadline is approximately 25 working days after award notification. **Local Boards not meeting the specified deadline risk the loss of these funds.**

*A webinar detailing the process for submitting a Local Board Plan is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

Advertising

Local Boards must publicly advertise in the print media and promote the program to give any agency capable of providing emergency food and shelter services an opportunity to apply for funds. **Advertising must take place prior to the Local Board's allocation of funds.** Local Boards must ensure their advertisement acknowledges the Federal funding source as required by the Grant Agreement Articles on pages 45-46. Failure to advertise properly will delay processing of the jurisdiction's board plan and subsequent payment of funds. Local Boards must allow **at least five business days after publication of the advertisement** for interested agencies to apply for funding. The Local Board should retain a copy of the public advertisement in their records and have it available for review, if requested. **It is important that the Local Board places the advertisement in the most widely available local print media forum for a jurisdiction since any agency providing or capable of providing emergency food and shelter services must have the opportunity to apply for funding. Failure to advertise according to the National Board's requirements will result in a delay in processing the Local Board Plan.**

*When a jurisdiction is funded, the Local Board must advertise the availability of funds. Local organizations, whether nonprofit or governmental, may apply. The Local Board is responsible for considering all applications, and for determining which organizations will receive funds. The Local Board also determines which services are funded. To identify your Local Board contact, select **Your Community** from the EFSP homepage, then select **Funded Organizations** and enter your state and county. There is no national application process.*

- See Annex 15, pages 109-27 for advertising requirements and a sample advertisement.
- See Annex 16, page 111 for application elements.

Local Boards do not have to re-advertise the availability of funds for additional allocations within the same phase unless specifically required by the National Board.

Disaster Recovery Plan

Local Boards should have a disaster recovery plan ensuring continuity of services under EFSP and records retention. Each Local Board is required to retain EFSP records for a period of three years after submission of the Final Report, unless there are compliance issues which require a longer retention period. Records that should be retained include:

- copies of decision-making minutes;
- Local Board Plans;
- Local Board and LRO Final Reports with documentation as appropriate;
- second payment request forms;
- reallocation forms;
- LRO funding applications;
- LRO Certification Forms;
- Lobbying Certification Forms, if necessary; and,
- administrative expense documentation (vendor invoices and canceled checks or other approved method of payment).

Local Boards must also retain documentation regarding all outstanding compliance problems including those from all prior phases which may not be part of the three-year retention period. Additionally, Local Boards should retain other pertinent information for their jurisdiction that provides background and history of their operations.

The U.S. Department of Homeland Security's website contains business continuity information which may be helpful to LROs. www.ready.gov/business.

Reference Item 5, page 53 and Annexes 12-13, pages 103-106.

Setting Priorities and Selection of LROs

Local Boards must set funding priorities annually prior to the selection of agencies for funding. Local Boards must look at the resources available in the community, the emergency food and shelter needs of the community, gaps in services in the community and focus the dollars to address these needs in the areas of emergency food and shelter. The priorities may vary from year to year, so each award phase must be evaluated individually. Once priorities are set, the Local Board must review the priorities of the jurisdiction and select LROs to help meet the identified needs.

Local Boards may not discriminate in the selection of LROs. Local Board members must strive to use consistent criteria, sound judgment, and fairness in their approach. Local Board membership must have no relationship to funding and is not a guarantee of funding. Local Board members must abstain from voting on award applications for their own agency.

Local Boards cannot select agencies for funding where the agency has received an adverse or no opinion audit in their independent audit.

Any agency, regardless of services offered or populations served, must be given equal opportunity to apply for funding. All applicant agencies must comply with all articles, terms and conditions of this funding and must sign and submit the EFSP provided LRO Certification Form to receive funds. Agencies must have a program in the category for which they are seeking funding.

Local Boards must have a written application process and consider all private voluntary and public agency applicants. In selecting an agency to receive funds, the Local Board must consider the demonstrated ability of that agency to provide food and/or shelter assistance.

The Local Board must select agencies that have the staff and capacity to take on the added responsibility of this program and who can comply with and maintain documentation and accountability standards. Local Boards must select fully operational agencies to receive funds to supplement and expand eligible on-going services and must not fund agencies in anticipation of a needed service (i.e., fire victims, floods, tornadoes, etc.) nor for singular or special celebratory/holiday events. Local Boards should not select agencies for funding due to budget shortfalls or due to reductions in other funding sources.

Suggested application questions include information that is necessary for the Local Board to submit to the National Board on their Local Board Plan or that comes directly from the LRO Certification Form. See Annex 16, page 111 for suggested Standard Application Elements.

See Annex 16, page 111 for Standard Application Elements.

Funding of LROs Serving Special Emphasis Groups

Any agency, including those on Native American reservations, is eligible to receive EFSP funding if they meet LRO requirements. Additionally, Local Boards must consider the needs of agencies serving the special emphasis groups (i.e., elderly, families with children, Native Americans, veterans, and mentally and physically disabled) in their selection of LROs.

The minimum grant per LRO is \$500, unless only receiving administrative funding. Only whole dollar amounts may be allocated. **Local Boards should be prepared to justify an allocation of one-third or more of their total allocation to a single LRO.**

Any LRO that will receive \$100,000 or more in EFSP funds is required to submit:

- a certification that EFSP funds will not be used for lobbying activities; and
- a disclosure of lobbying activities (if applicable). LROs must submit these items prior to award payment. See Annex 5, page 95 for Certification Regarding Lobbying.

At the beginning of each phase, the Local Board must secure and retain signed LRO Certification Forms from each LRO certifying that program guidelines have been read and understood, and that the LROs will comply with all program requirements including the Grant Agreement Articles, Financial Terms and Conditions and Other Terms and Conditions stated on pages 45-62 in addition to the cost eligibility and reporting requirements. **(LRO Certification Forms for all LROs must be submitted with the Local Board Plan to the National Board.)** Refer to Annex 3, page 93. If after reading the LRO Certification Form, the agency determines that it cannot abide by the EFSP guidelines, they must notify the Local Board immediately and not incur any costs or charge any expenses against the grant.

Coordination of Service

The Local Board **must** establish a system to ensure that no duplication of payment occurs within the expenditure categories of rent/mortgage assistance or utility assistance. **Multiple LROs may not provide assistance to the same client for the same service.**

Client Eligibility

The EFSP is a needs based program, for which clients must qualify.

Local Boards may determine client eligibility for EFSP or use established LRO eligibility. Any criteria used must provide for assistance to needy individuals without discrimination (age, race, sex, religion, national origin, disability, economic status or sexual orientation), sensitivity to the transition from temporary shelter to permanent homes and attention to the specialized needs of homeless individuals with mental and physical disabilities and illness and to facilitate access for homeless individuals to other sources of services and benefits. In providing assistance under the EFSP, verification of proof of citizenship or qualified alien status of any applicant for assistance is not required.

EFSP is a need based program. Client qualifications are set locally based on the needs of the community.

A separate needs test for assistance under EFSP may be developed and used by LROs, but must first be approved by the Local Board. The Local Board must inform LROs of any eligibility criteria set by the Local Board.

Notification of Changes in LRO Contact/Address

Local Boards must notify the National Board if there is a change in LRO contact for business purposes, including complete:

- addresses,
- phone numbers,
- fax numbers, and
- valid email addresses.

Keeping contact information up to date is critical for EFSP communication and DocuSign procedures. Most administrative functions will not be able to be completed without an accurate email address on file.

Changes for the jurisdiction's EFSP information should be updated throughout the phase as they occur via the website.

When there is a change in the name of an LRO or a change with an LRO's Federal Employer Identification Number (FEIN) or Data Universal Number System (DUNS), the legal document supporting those changes must be forwarded to the National Board before the changes can be made. **There is specific form available on the EFSP website for adding/updating the DUNS number in the database.** Ensure the Local Board and LRO ID numbers are included in all correspondence.

To change your Federal Employer Identification Number (FEIN), the LRO must send the document from the IRS or state that reflects their full legal name and FEIN number. Legal name, FEIN and DUNS numbers cannot be edited by the LRO or the Local Board on the website. Please do not send the FEIN in the body of an email or letter, as it cannot be accepted. Please send documentation with a cover note for a FEIN change with the LRO ID Number to documentstoefsp@unw.unitednyc.org or fax to 703-706-9677.

The National Board will communicate with LROs primarily through email. For EFSP purposes only, email addresses and other contact information may be shared, so business contact information and email is recommended.

Combining Local Boards

If a Local Board determines that they can better utilize their resources by merging with neighboring Local Boards, they may do so. The head of government or his/her designee for each jurisdiction must sit on the merged board, along with, at a minimum, National Board agency representatives from each jurisdiction. Voting and decision-making must be limited to only those Local Board members either providing services to the jurisdiction under consideration or representing the jurisdiction. The merged Local Board must ensure that the award amount designated for each civil jurisdiction is used to provide assistance to individuals within that jurisdiction.

Communication

Local Boards are responsible for communicating with Local Recipient Organizations (LROs) and should do so throughout the life cycle of each Phase for which funds are received. Strong communication links are valuable in program administration; constant communication may also help avoid delays in funding/payments and compliance exceptions. Local Boards should develop a communications plan that assists with their responsibility to monitor the EFSP in their jurisdiction. Local Board communications should be ongoing and done as part of technical assistance and monitoring.

Key communication periods are:

- Application for funding
- Awarding of funds
- Requesting second payments
- Making reallocations
- Reporting final expenditures
- Requiring and reviewing documentation
- Notification of deadlines
- Notification of compliance problems

Local Boards may communicate with LROs via email, letters, meetings or webpage created for the EFSP program in the community.

Technical Assistance

Local Boards must read, understand and be familiar with the EFSP guidelines as found in this manual and provide technical assistance to LROs. Local Boards are responsible for the training of all LROs and should ensure new LROs have thoroughly read this manual and are trained before incurring expenses. The Local Board should be familiar with any personnel changes within an agency to ensure that new staff are trained. Questions that cannot be answered by Local Boards must

be referred to the National Board staff. Any matter of interpretation must be referred to the National Board staff at

DUNS numbers alone are not sufficient for EFSP purposes and neither Local Boards nor LROs can enter this information on the EFSP website. DUNS numbers and associated information are required for all LROs receiving funds in the EFSP. The DUNS information form and instructions are posted under the Local Board and LRO section of the EFSP website. This form (third page under the DUNS tab) must be completed accurately and emailed to documentstoefsp@unwv.unitedway.org or faxed to 703-706-9677. Simply providing the DUNS number alone does not fulfill the EFSP's requirements; the form must be completed in its entirety.

*An overview webinar for new Local Board and LRO contacts is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

efsp@uww.unitedway.org. Please reference your Local Board ID number and LRO number when contacting the National Board staff.

The EFSP website (www.efsp.unitedway.org) has a training feature for Local Boards and LROs to familiarize new staff and board members with EFSP requirements under **Training Workshops**. FEMA's Emergency Management Institute also provides a training opportunity through the following link: (<http://www.training.fema.gov/emiweb/IS/IS420.asp>).

Appeals Process

Local Boards **must** establish a written appeals process to address participation or funding and to hear and resolve appeals made by funded LROs or non-funded agencies. **Local Boards must handle appeals promptly.**

Local decision-making is an operating principle of this emergency effort. If the Local Board cannot handle an appeal locally, the case should be referred in writing to the National Board, including details on action that has been taken. Only when there are significant questions on the part of the Local Board concerning misapplication of guidelines, fraud or other abuse on the part of the Local Board will the National Board consider action.

Should anyone have reason to suspect that EFSP funds are being used for purposes contrary to the law and guidelines governing this program, the National Board staff must be notified immediately. A detailed follow-up letter of actions taken should be forwarded as soon as possible to Emergency Food and Shelter Program, 701 North Fairfax Street, Alexandria, VA, 22314. When reports have been made to the DHS OIG, the case number they provide must be included with all correspondence to the National Board. The OIG's preferred method for reporting fraud is to submit their online allegation form from their website www.oig.dhs.gov. The address for mailing information is:

DHS Office of Inspector General/ MAIL STOP 0305
Attention: Office of Integrity & Quality Oversight – Hotline
245 Murray Lane SW
Washington, DC 20528-0305

For more details, see [pages 34-35](#).

Local Resource Coordination

The chair of the Local Board or his/her designated staff will be the central coordination point of contact between the National Board staff and the LROs selected to receive EFSP funds. Additionally, the Local Board, if requested by the National Board, should nominate an appropriate feeding organization to receive surplus food from the U. S. Department of Defense commissaries.

Monitoring LROs

Local Boards are responsible for monitoring LROs throughout the phase in their use of EFSP funds. Each Local Board must establish a process for monitoring LROs, including ensuring that LROs have read and understand the manual. Local Boards must review required reports and documentation for completeness, and compliance with program guidelines, including the agency's annual audit/review, if required.

Local Boards must ensure that LROs expending \$750,000 or more in Federal funds, comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 of the Office of Management and Budget (Uniform Guidance) [Item 7, page 54](#).

Local Boards **cannot** change National Board cost eligibility, approve expenditures outside of the National Board's guidelines, or approve changes in documentation requirements without National Board permission.

As part of LRO monitoring, Local Boards must investigate complaints made by individuals seeking services under this program. At times, the National Board may request Local Board assistance in investigating client complaints. Local Boards must investigate and report to the National Board, if required.

Interim Report

The interim report of expenditures is due to the National Board as part of each LRO's second payment request. The National Board will advise LROs of the deadline for the submission of the Interim Report/Second Payment Request form to their Local Board. Local Boards may determine and advise their LROs of an earlier due date to ensure the jurisdiction meets the National Board's deadline. A second payment request must be submitted via the website by each funded LRO. The LRO will then electronically sign the Interim Report/Second Payment Request Form generated by DocuSign. Then the Local Board will approve and electronically sign the Interim Report/Second Payment Request Form through the DocuSign process. Local Boards must electronically sign the Interim Report/Second Payment Request by the established deadline. **Only electronic signatures created through the DocuSign process provided by the National Board will be accepted.**

*A webinar detailing the process for submitting an Interim Report and Second Payment Request is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

Second payments will be made to eligible LROs once the jurisdiction's compliance review of the previous phase is completed and any compliance problems resolved in any jurisdiction in which an LRO has received funds. Compliance resolution after the end of the funded phase does not guarantee that any remaining award will be forthcoming. Notice of second payments will be made to Local Boards and LROs, via email, **only** upon the submission of each LRO's Interim Report/Second Payment Request Form.

The Interim Report/Second Payment Request submission is a two-step process: 1). Web submission and 2). Electronic signature of the Interim Report/Second Payment Request form.

After the LRO(s) complete the form online, they will need to electronically sign the Interim Report/Second Payment Request generated by DocuSign. The Local Board chair will approve the request by electronically signing the Interim Report/Second Payment Request Form once assured the LRO is implementing the program as intended and according to EFSP guidelines or other requirements established by the Local Board. The LRO must report on the first payment by indicating how the funds were spent to date in the categories. If funds were unspent, they must be entered in the unspent category on the form. The Interim Report/Second Payment Request must balance to the total of the first payment issued to the agency.

Keeping contact information up to date is critical for EFSP communication and DocuSign procedures. Interim Reports/Second Payment Requests will not be able to be completed without an accurate email address on file.

Final Report

Local Boards must submit a Final Report (accompanied by financial documentation for specified LROs) approximately 45 days after the end of the jurisdiction's spending period or upon a date determined by the National Board. The National Board will advise Local Boards and LROs of the submission deadline. The National Board will provide forms and instructions for all required reports. Local Boards may request other reports from LROs (e.g., monthly or quarterly updates).

*A webinar detailing the process for submitting a Final Report is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

A complete Final Report submission will include the following items collated in numerical order by LRO ID number:

- A signed Local Board Final Report Certification;
- A signed Local Recipient Organization Final Report Certification for each funded LRO;
- Completed spreadsheets for each spending category for each funded LRO;
- All required documentation for each funded LRO, as requested; and
- A copy of the LRO audits, as required.

Reallocation of Funds

Local Boards may decide to reallocate funds **within** their jurisdiction. Funds may be reallocated locally at any time during the program spending period. When funds are reallocated from one Local Recipient Organization (LRO) to another, the Local Board must inform both the National Board and affected LROs in writing. The National Board will be informed via the website. **The Local Board must advise in writing, all concerned LROs of any reallocation of their original award. LROs must be informed in writing.**

*A webinar detailing the process for submitting a Reallocation is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

When requesting reallocations, please indicate if the funds are being transferred locally or if they are to be issued by the National Board. If a portion of the funds are being reallocated locally and another portion nationally, separate reallocations must be submitted.

Local Reallocation:

If the funds to be reallocated have already been paid to LROs in the jurisdiction, the funds must be transferred locally. In this case, the LRO whose funds are being reallocated must write a check to the LRO(s) receiving the funds.

National Reallocation:

If the National Board has not paid out the funds, payments will be issued to the appropriate LRO as requested by the Local Board.

Important Information About Reallocations:

The Local Board must reallocate funds during the spending period whenever it determines that the original allocation plan does not reflect the actual need for services or if an LRO cannot effectively utilize the full award. Local Boards must reallocate funds if an LRO makes ineligible expenditures or uses funds for items that have clearly not been approved by the Local Board. Local Boards must also reallocate funds because of gross negligence, inadequate use of funds, failure to use funds for purposes intended and any other violation of National Board guidelines or the Local Board plan. LROs must comply with their Local Boards' reallocation decisions.

Local Boards must reallocate funds held for LROs with unresolved compliance exceptions by the date specified by the National Board or they will be forfeited and reclaimed by the National Board. **If an LRO has not previously been funded in the current phase, it may not be funded after the deadline established by the National Board.**

Local Boards reallocating funds late in the spending period should ensure the LRO(s) receiving the funds can document the full amount of funds received, including any reallocations within the jurisdiction's spending period.

Local Boards may reallocate funds from one service to another (i.e., from food to shelter) without National Board approval if the transfer is within a single LRO.

Local Boards may not reallocate funds to any LRO with a known compliance problem from any phase of funding in any jurisdiction in which the LRO received funds either currently or previously.

Reallocation to New Agencies

Local Boards may reallocate funds to new LROs, which must be approved by the National Board. Reallocations may not be made to new LROs after the National Board's established deadline. **This is the last date to add new LROs.** Prior to a new LRO receiving funds, the Local Board must provide the Federal Employer Identification Number (FEIN) and the Data Universal Number System (DUNS) number issued by Dun & Bradstreet (D&B) along with the associated information.

Returning Funds for Reallocation

If funds are returned to the National Board for reallocation, the check must be made payable to United Way Worldwide/Emergency Food and Shelter Program, 701 North Fairfax Street, Alexandria, VA 22314. The LRO ID Number (9 digits) of the agency returning the funds must be printed on the face of the check in the upper right-hand corner. The Local Board or LRO must indicate the funds are being returned for reallocation.

Reporting Fraud, Theft and Criminal Activity

Should anyone have reason to suspect that EFSP funds are being used for purposes contrary to the law and guidelines governing this program, the National Board staff must be notified immediately. A detailed follow-up letter of actions taken should be forwarded as soon as possible to Emergency Food and Shelter Program, 701 N. Fairfax Street, Alexandria, VA, 22314. When reports have been made to the DHS OIG, the case number they provide must be included with all correspondence to the National Board.

The National Board requires that the DHS OIG be contacted immediately when fraud, theft, or other criminal activity is suspected regarding the use of EFSP funds, or the operation of a facility receiving EFSP funds. The OIG's preferred method for reporting fraud is to submit their online allegation form from their website www.oig.dhs.gov. The address for mailing information is:

DHS Office of Inspector General/ MAIL STOP 0305
Attention: Office of Integrity & Quality Oversight – Hotline
245 Murray Lane SW
Washington, DC 20528-0305

Persons contacting the OIG should include as much information as possible to support the allegation and preferably furnish his/her name and telephone number so that the Special Agents assigned to that office may follow-up. Federal Law protects the confidentiality of any communication made with the DHS OIG.

A person wishing to remain totally anonymous should make a follow-up phone call to the DHS OIG within 30 days from the date of the original contact so that any follow-up questions may be asked. Follow-up calls should be made to (800) 323-8603 during normal business hours, Eastern Standard Time (charges may be reversed). The caller should advise that he/she is making a follow-up call regarding a prior anonymous complaint.

The DHS OIG will appropriately notify both local law enforcement authorities and the National Board concerning the substance of the allegations and the results of the investigation. The person reporting the allegation should also contact local law enforcement authorities.

End-of-Program

After close of program, Local Boards **must** review the accuracy of **all** LRO reports and documentation including the agency's annual audit, if required (see pages 79-80). The Local Board then sends reports for all LROs and documentation for specified LROs to the National Board as requested by the due date indicated on the final reports. In the event expenditures violate the eligible costs under this program or cannot be documented (as required), the Local Board must require reimbursement from the LROs to the National Board.

Record Retention

Local Boards must remain in operation until all program and compliance requirements of the National Board have been satisfied. Local Boards (and LROs) must retain their records related to the program for three years following the submission of the Final Report. Local Boards and LROs must also retain documentation regarding all compliance problems until the problem is resolved even when outside the three-year retention period. See Annex 13, pages 105-106.

Spending Period Extension

Each jurisdiction will be granted the option to extend its spending period by one, two or three months. This extension applies to the entire jurisdiction. Should the jurisdiction receive a grant in the next phase, that phase's spending period will begin the day after the chosen end date. If a Local Board does designate a spending period end date, the spending period will default to the end date January 31, 2019. The other options for the spending period to end are October 31, 2017, November 30, 2017, December 31, 2017, January 31, 2018, February 29, 2018, March 31, 2018, April 30, 2018, May 31, 2018, June 30, 2018, July 31, 2018, August 31, 2018, September 30, 2018, October 31, 2018, November 30, 2018, December 31, 2018, and January 31, 2019. **The spending period must be selected at the beginning of the phase when submitting the Local Board Plan.** The spending period is then noted on each Local Board and LRO payment advisory. Changes in the spending period must be submitted in writing by the Local Board to the National Board. Ensure the Local Board ID number is included in all correspondence.

At its discretion, the National Board may allow for the extension of the spending period should the receipt of funding to the National Board be delayed beyond the first quarter of the Federal fiscal year. The National Board may allow spending period extensions beyond the initially offered dates and will advise Local Boards as necessary.

If the National Board authorizes a spending period extension, the Local Board must request the extension through the designated form available on the EFSP website.

Variations and Changes

Local Boards may receive requests for variances from applicant agencies or for changes in the spending plans they approved for LROs. Local Boards may fund such requests or may allow such changes if the requested items are eligible costs under this program. Requests that do not adhere to the approved cost eligibility section of this manual may not be

approved by the Local Board. If there is any doubt on the part of the Local Board as to cost eligibility, contact the National Board staff for clarification.

The National Board will consider requests submitted via the website for program variances to the approved cost eligibility that meets the intent of the EFSP. The request for any variance from the Local Board must be made **before** any LRO makes the expenditure and must clearly state the need for the variance, approximate costs, timelines, or any other pertinent information necessary for the National Board to make their decision.

Local Boards may also receive requests from LROs for program variances of the agency responsibility or documentation requirements outlined in this manual. Local Boards **may not approve** such requests or alter the program or documentation requirements in any way. LROs are required to comply with all agency responsibility and documentation requirements as stated in this manual. Agencies that cannot comply with the requirements should not be selected for funding by the Local Board, including those agencies funded through a Fiscal Agent or Fiscal Conduit. In special circumstances, the National Board will hear variance requests from Local Boards on behalf of LROs who have not complied with agency responsibility and documentation requirements.

The National Board will only allow variances for consideration from Local Boards in support of an agency's request. Variances will not be allowed from individual agencies.

The National Board does not consider variances for EFT enrollment.

Local Boards may not grant program variances to the National Board's guidelines including cost eligibility.

Local Boards may not change the National Board's documentation requirements. Only the National Board may grant variances.

If a variance is granted by the National Board, it is for a single phase for the LRO. A variance does not carry forward into the next phase and it cannot be applied to a previous phase. Each phase, if a variance is required, it must be requested by the Local Board.

Administrative Allowance

The Local Board determines the use of the administrative allowance. The Local Board may elect to use, for its own administrative costs, all or any portion of the 2% allowance. Local Boards may award all or part of the administrative allowance to LROs applying for administrative funds. LROs may receive no more than 2% of their own award for administration. Like all EFSP expenditures, the administrative expenses must be documented with appropriate costs for the administration of the EFSP. Documentation of administrative costs must be maintained including appropriate vendor invoices and proof of payment. Spreadsheets documenting the administrative allowance must be submitted with the Final Report.

While the National Board does not require administrative documentation, other than the spreadsheet, to be submitted with the Final Report, this documentation may be requested at any time and must be retained according to EFSP documentation retention requirements.

The Local Board may elect to apply the administrative allowance toward advertising expense if necessary. Any of the administrative allowance not spent must be put back into program funds for additional services.

Local Recipient Organization (LRO) Responsibilities

The Emergency Food and Shelter National Board Program (EFSP) is a restricted federal grant. All federal grants have terms and conditions that apply to all parties participating in the grant. For the EFSP, all parties means the National Board which is considered the Recipient, State Set-Aside Committees (SSAs), Local Boards, and Local Recipient Organizations (LROs) that are considered the Sub-Recipients. See Grant Agreement Articles, Financial Terms and Conditions and Other Terms and Conditions, pages 45-62 for additional requirements.

The National Board assigns each jurisdiction a unique ID number for the program as well as numbers for each LRO, whether new or previously funded. When contacting the National Board for assistance regarding this program, please reference your 9-digit LRO ID number, which is your Local Board's ID number plus your LRO number (example: 1234-56-789).

Criteria for LROs

For a local agency to be eligible for funding it must:

- Be nonprofit or an agency of government;
- Not be debarred or suspended from receiving Federal funding;
- Have a checking account and sign up for EFT (cash payments are not allowed);
- Have an accounting system or fiscal agent approved by the Local Board;
- Have a Federal Employer Identification Number (FEIN);
- Have a Data Universal Number System (DUNS) number issued by Dun & Bradstreet (D&B) and provide along with other required associated information;
- Have a valid email address for program communication and electronic signature processes;
- Conduct an independent annual audit if receiving \$100,000 or more in EFSP funds; conduct an annual accountant's review if receiving \$50,000 to \$99,999 in EFSP funds. See [Annex 12, page 103](#).
- Conduct annual audit, if expending \$750,000 or more in Federal funds, in compliance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 of the Office of Management and Budget (Uniform Guidance);
- Be providing services and using its other resources in the area in which they are seeking funding;
- Practice nondiscrimination (those agencies with a religious affiliation wishing to participate in the program must not refuse services to an applicant based on religion or require attendance at religious services as a condition of assistance, nor will such groups engage in any religious proselytizing in any program receiving EFSP funds;
- Have a voluntary board if private, not-for-profit; and,
- To the extent practicable, involve homeless individuals and families, through employment, volunteer programs, etc., in providing emergency food and shelter services.

Keeping contact information up to date is critical for EFSP communication and DocuSign procedures.

Contact your local IRS office for more information on securing a FEIN and the necessary form [SS-4] or go to the website: www.irs.gov.

*DUNS numbers alone are not sufficient for EFSP purposes and neither Local Boards nor LROs can enter this information on the EFSP website. DUNS numbers and associated information are **required** for all LROs receiving funds in the EFSP. The DUNS information form and instructions are posted under the Local Board and LRO section of the EFSP website. This form (third page under the DUNS tab) must be completed accurately and emailed to documentstoefsp@uww.unitedway.org or faxed to 703-706-9677. Simply providing the DUNS number alone does not fulfill the EFSP's requirements; the form must be completed in its entirety.*

Each award Phase, each LRO must certify to the Local Board by signing the LRO Certification Form for the specific Phase and forwarding it to the Local Board that they have read, understand and agree to abide by the EFSP Responsibilities and Requirements Manual including the LRO Responsibilities section, Financial Terms and Conditions, Program Costs (eligible and ineligible), and Required Documentation. See Annex 3, page 93.

If after reading, electronically signing and submitting the LRO Certification Form, the agency determines that it cannot or can no longer abide by the National Board or Federal requirements, they must notify their Local Board immediately. If funds have already been received, they must be returned in their entirety and no expenses may be incurred or charged against the grant.

The Local Board will receive a copy of the electronically signed LRO Certification Form for each funded LRO in the jurisdiction's Board Plan submitted to the National Board.

The LRO Certification Form will be sent through DocuSign to the contact email of record for the funded LRO once the Local Board Plan has been submitted. The completed LRO Certification form will be emailed to the LRO and is available on the EFSP website under LRO Plan.

Keeping contact information up to date is critical for EFSP communication and DocuSign procedures.

LRO Documentation and Disaster Recovery Plan

LROs should have a disaster recovery plan that ensures continuity of eligible services and records retention under the EFSP. Each LRO is required to retain EFSP records for a period of three years from the submission of the Final Report. Records that should be retained include LRO application and approval of application from Local Board, signed LRO Certification form, documentation of any reallocations approved by the Local Board, completed Interim Report/Second Payment Request form, program exceptions granted by the National Board, and all expenditure documentation for expenses charged to the EFSP. **LROs also need to retain documentation regarding all compliance problems including those outside the retention period until the problem is resolved.** Specific information on documentation is provided in the Program Costs (eligible and ineligible) section of this manual. The U.S. Department of Homeland Security's website contains business continuity information which may be helpful to LROs. www.ready.gov/business.

Reference [Item 5, page 53](#) and [Annex 13, page 105-106](#).

LRO/Vendor Relationships

An LRO may not operate as a vendor for itself or other LROs. Purchases may not be made from or payments made to other LROs except for the shared maintenance fee of food banks.

LRO Requirements

Local agencies selected for funding must adhere to the following 14 requirements:

Knowledge of Requirements

1. LROs must maintain records according to guidelines set forth in this manual. Consult your Local Board chair/staff on matters requiring interpretation or clarification **prior to** incurring an expense or entering into a contract. **It is important to have a thorough understanding of these guidelines to avoid ineligible expenditures and consequent repayment of funds.** See [pages 65-74](#) for

*A webinar detailing the process for submitting LRO Certifications is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

eligible and ineligible program costs. Questions that LROs have should be directed first to Local Board chairs or staff. National Board staff must be contacted by the Local Board chairs or staff to answer those questions that cannot be answered locally.

Use of Funds

2. LROs must provide services within the intent of the program. Funds are to be used on an ongoing basis to supplement and extend food and shelter services, not as a substitute for other program funds or to start new programs. Funds are not to be held or reserved for future use but spent on an as needed basis to supplement and extend existing services. Agencies must have a program in the category for which they are seeking funding. All funds awarded to an LRO must provide for services within the jurisdiction's spending period. See pages 65-74 for eligible and ineligible program costs.

*A webinar providing background on eligible and ineligible expenditures is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

Bank Accounts/Interest Income

3. LROs must maintain a checking account in the **LRO's name** in a federally insured bank into which EFSP funds are deposited. (Bank accounts must not be set up with FEMA, EFSP or in the name of the LRO's program.) The National Board does not require funds to be placed in a separate bank account. LROs are required to notify the National Board in writing of any changes in their bank account for EFT purposes. This includes changes such as the closure of bank accounts, opening new bank accounts, and mergers of financial institutions. ***LROs funded in multiple jurisdictions must provide bank account changes for each jurisdiction individually even if funds are deposited into the same account.*** The EFT authorization form must be used for initial sign-ups and any changes. Local Boards and LROs may also contact the National Board staff for the preprinted authorization form. Copies, faxes, or emails cannot be accepted for EFT processing. For EFT processing, an original LRO voided blank check and form are accepted by mail only by the deadline established by the National Board (mail to: United Way Worldwide/Emergency Food and Shelter Program 701 North Fairfax Street, Alexandria, VA 22314.) **EFT ENROLLMENTS CANNOT BE ACCEPTED IN ANY OTHER FORMAT.** Failure to notify the National Board of bank account changes will delay the receipt of funds.

*To add/update EFT information, the LRO must log into the EFSP website. On the left-hand menu, there is an option for EFT, where you will find the appropriate form and instructions. This form is specific to each LRO and cannot be generated by the Local Board. There is a webinar with detailed instructions on how to set up an EFT on the EFSP website under **Trainings Workshops** on the left-hand menu after you login.*

LROs must maintain proper documentation for all expenditures under this program according to the guidelines. Any interest income must be used for eligible program expenditures, not administrative expenses. If EFSP funds are placed in an interest-earning account with other LRO funds, interest must be prorated/calculated for the EFSP grant.

LROs that have unspent funds of \$5.00 or more must return the entire unspent amount to the National Board. (Do not send back unspent funds of \$4.99 or less). Checks for funds being returned to the National Board must be made payable to United Way Worldwide/Emergency Food and Shelter Program. The LRO ID number of the agency returning the funds must be printed on the face of the check in the upper right-hand corner.

LROs' expenditures and documentation will be subject to review for program compliance by the Local Board, National Board, the National Board's public accounting firm, DHS/FEMA or the Office of the Inspector

General. Maintain records for a three-year period after phase end unless there is an outstanding compliance problem. (See pages 80-81).

Payment to Vendors

4. LROs must pay for all eligible program expenses by an approved method of payment. Approved payment methods are:
 - LRO check,
 - LRO debit card,
 - LRO credit card—vendor issued (i.e., Sam’s Club, other stores—vendor issued credit card),
 - LRO credit card—third party (i.e., American Express, Visa),
 - Electronic payment from LRO’s bank account.

*A webinar providing background on eligible and ineligible expenditures is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

This program does not allow the reimbursement of staff/volunteers, other LROs or any party other than the vendor of services. **Cash payments are ineligible. The use of personal debit cards or credit cards is not allowed.**

A Fiscal Agent/Fiscal Conduit must pay the vendor directly with an approved method of payment and may not reimburse other agencies for which they are serving as the Fiscal Agent/Fiscal Conduit.

LRO Reporting

5. LROs must submit reports to the Local Board by their due dates. The National Board will make interim report/second payment requests available to each LRO after the first payment notification. When the LRO is ready to request its second payment it must be submitted via the website. The LRO will then electronically sign the Interim Report/Second Payment Request Form generated by DocuSign. Then the Local Board will approve and electronically sign the Interim Report/Second Payment Request Form through the DocuSign process. Local Boards must electronically sign the Interim Report/Second Payment Request by the established deadline. **Only electronic signatures created through the DocuSign process provided by the National Board will be accepted.**

*A webinar detailing the process for submitting an Interim Report/Second Payment Request is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

LROs should retain a copy of their Interim Report/Second Payment Request form and should not wait until their first payment has been exhausted before making the request.

Second payments will be made to eligible LROs once the jurisdiction's compliance review of the previous phase is completed and any compliance problems resolved in any jurisdiction in which an LRO has received funds. Compliance resolution after the end of the funded phase does not guarantee that any remaining award will be forthcoming. Notice of second payments will be made to Local Boards and LROs, via email, only upon the submission of each LRO’s Interim Report/Second Payment Request Form.

The Interim Report/Second Payment Request submission is a two-step process. After the LRO(s) complete the form online, they will need to electronically sign the Interim Report/Second Payment Request generated by DocuSign. The Local Board chair will approve the request by electronically signing the Interim Report/Second Payment Request Form once assured the LRO is implementing the program as intended and according to EFSP guidelines or other requirements established by the Local Board. The LRO must report on the first payment by indicating how the funds were spent to date in the categories. If funds were unspent, they must be entered in the unspent category on the form. The Interim Report/Second Payment Request must balance to the total of the first payment issued to the agency.

Keeping contact information up to date is critical for EFSP communication and DocuSign procedures. Interim Reports/Second Payment Requests will not be able to be completed without an accurate email address on file.

The National Board will advise Local Boards and LROs of the deadline to request all second payments under Phase 35 as part of the Key Dates document. Second payments will be held until **all** compliance exceptions (if any) are satisfied by the LRO. LROs with unresolved compliance exceptions **will not be paid**.

Final Report

6. All LROs must complete the Final Report through the web submission process. After the web submission is completed, a copy of the LRO Final Report will be sent to the LRO Contact via email to e-sign. Once the LRO Final Report has been e-signed by the LRO, it will be sent to the Local Board Contact to approve and e-sign. A copy of the LRO Final Report should be sent to the Local Board, along with the required spreadsheets, and **one** copy of documentation, if requested. A copy of the e-signed LRO Final Report, spreadsheets and documentation must be retained by the LRO for their records. Complete, accurate, legible documentation must be submitted and must support the expenditures claimed in each category on the initial Final Report. The final LRO report is due to the Local Board 30 days after the jurisdiction's end-of-program date. LROs receiving Phase 35 awards from more than one jurisdiction must keep and submit documentation **separately** for each **when requested**.

*A webinar detailing the process for submitting a Final Report is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

LROs receiving SSA awards in addition to a regular award or reallocation funds in a single jurisdiction must consider all the awards as though they were one and combine the documentation

Program Compliance Resolution

7. LROs must work with the Local Board to **quickly clear up** any problems related to compliance exception(s) at the end of the program.

*A webinar providing background on eligible and ineligible expenditures is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

The National Board requires that all LROs maintain expenditure and proof of payment documentation as expenses are incurred. It is expected that when documentation is submitted with Final Reports or reviewed under other circumstances, that it is complete and accurate initially when reviewed the first time. The National Board will notify Local Boards and LROs of problems should the documentation contain errors.

Failure of an LRO to comply with the National Board's reporting requirements will result in future funds being withheld. The National Board will hold funds until all reporting requirements have been satisfied. If an LRO does not comply in a timely manner to compliance issues, the Local Board or National Board may reclaim and reallocate the funds being withheld.

*A webinar providing background on common compliance issues is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

Any LRO, including those serving as a Fiscal Agent/Fiscal Conduit, receiving funds in multiple jurisdictions with a compliance exception in any single jurisdiction from any prior phase will be subject to all funds being withheld. That is, all funds allocated to that LRO from all jurisdictions will be withheld until all problems have been resolved. Funding is not guaranteed when compliance problems have been identified, even if resolved.

Documentation Retention

LROs are to keep their documentation records for three years after each end of program year. Documentation includes but is not limited to: LRO Certification form, application for funding, Local Board approval of funding, Second Payment Request/Interim Report, Final Report, spreadsheets, all expenditure documentation (vendor invoices/receipts and proof of payment).

Since Documentation must be retained for three years, all of those years are subject to review/audits at any time, even if the LRO has filed Final Reports and received clearing letters.

Lobbying Prohibition and Reporting Requirements

8. LROs must comply with lobbying requirements. Lobbying is not permitted with EFSP funds. **Any LRO receiving more than \$100,000 in EFSP funds is required to submit:**
 - **certification that EFSP funds will not be used for lobbying activities; and,**
 - **disclosure of lobbying activities (if applicable).**

*A webinar detailing the process for submitting Certification Forms is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

See **Annex 5, page 95** for the certification and disclosure form. This form may be printed from the EFSP manual or website. These forms must be submitted prior to payment of funds.

Annual Audit Requirement

9. LROs must comply with audit requirements. For LROs receiving \$100,000 or more in EFSP funding, the National Board requires an independent annual audit in accordance with Government Auditing Standards. For LROs receiving from \$50,000 to \$99,999, the National Board requires an annual accountant's review. For newly funded LROs or LROs funded above the amount requiring an audit or review for the first time, the LRO will be eligible to receive funds if it arranges for the audit or review of funds to coincide with the next scheduled annual audit or annual review of its financial affairs. See **Annexes 12-13, pages 103-106.**

*A webinar providing background on audit requirements is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

The National Board will accept an LRO's national/regional annual audit if the following conditions are met:

- LRO is truly a subsidiary of the national organization (i.e., shares a single Federal tax exemption).

- The LRO is audited by the national/regional office internal auditors or other person designated by the national/regional office AND the national/regional office is audited by an independent certified public accountant or public accountant or accounting firm, which includes the national/regional organization’s review of the LRO in a larger audit review.
- A copy of the local audit review along with a copy of the independent audit of the national/regional office will be made available to the National Board upon request.

Uniform Guidance of the Office of Management & Budget

10. Any agency expending \$750,000 or more in Federal funds must comply with the **Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200** of the Office of Management and Budget (Uniform Guidance) Item 7, page 54.

A copy of this report must be forwarded to the National Board annually along with the regular audit.

Audits of units of government shall be made annually unless the state or local government had, by January 1, 1987, a constitutional or statutory requirement for less frequent audits. **LROs receiving funds in a single or multiple jurisdictions must identify each award individually by their LRO ID number in each jurisdiction under the Pass-Through Grantors Number on the Schedule of Expenditures of Federal Awards.**

Audit Confirmation Request

11. LROs requesting audit confirmations of funds received for their external auditors must submit a written request emailed to documentstoefsp@uww.unitedway.org or faxed to 703-706-9677. The request must indicate the LRO ID numbers (9-digits) for each jurisdiction for which a confirmation is needed.

Technical Assistance

12. LRO should contact the Local Board first regarding technical assistance, interpretation of guidelines and resources from other Federal programs as Local Boards are responsible for providing training and technical assistance to LROs.

The EFSP website (www.efsp.unitedway.org) has a training feature for Local Boards and LROs to familiarize new staff with EFSP requirements under **Training Workshops**. FEMA's Emergency Management Institute also provides a training opportunity through the following link: (<http://www.training.fema.gov/emiweb/IS/IS420.asp>).

Reallocation of Funds

13. LRO must cooperate and comply with Local Board reallocation decisions. Local Boards may reallocate funds at their discretion during the current phase. Reference the Local Board section, pages 33-34.

*A webinar detailing the process for submitting Reallocation is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

Fiscal Agent/Fiscal Conduit

14. For National Board purposes, a Fiscal Agent is a LRO that maintains all EFSP financial records for another agency under a single grant. A Fiscal Conduit is a LRO that maintains all EFSP financial records on behalf of two or more other agencies under a single grant.

If anyone LRO in a jurisdiction is making bulk purchases for other agencies not funded directly, it must serve as a Fiscal Conduit and follow all rules noted in this section.

The Fiscal Agent/Fiscal Conduit is the LRO responsible for the receipt of funds, disbursement of funds to vendors, documentation of funds received and maintenance of documentation. The Fiscal Agent/Fiscal Conduit must meet all requirements of a LRO. Only the Fiscal Agent/Fiscal Conduit may pay the vendors, and cannot reimburse other agencies for which they are serving as their Fiscal Agent/Fiscal Conduit.

Local Boards may wish to use a Fiscal Agent/Fiscal Conduit when they desire to fund an agency that does not have an adequate accounting system but still meets all other criteria. The Fiscal Agent/Fiscal Conduit arrangement must be determined and arranged prior to funding decisions. Fiscal Agents/Fiscal Conduits will be held accountable for compliance with program requirements. Any agency being supported through a fiscal agent/fiscal conduit must have its own Federal Employee Identification Number (FEIN). (This IRS form [SS-4] may be obtained on the IRS website, www.irs.gov.) Agencies funded under a Fiscal Agent/Fiscal Conduit must also have or obtain a Data Universal Number System (DUNS) number issued by Dun & Bradstreet (D&B). (This form and instructions may be obtained from the EFSP website.) The DUNS number and other relevant information must be provided on the form.

Fiscal Agent/Fiscal Conduit Payments

Fiscal Agents/Fiscal Conduits must issue their payments for LRO expenditures to vendors only by an approved method of payment; may not reimburse other agencies for which they are serving as their Fiscal Agent/Fiscal Conduit, or to agencies/sites under their ‘umbrella’. The exception to this is when an LRO is using the per diem allowance for mass shelter or the per meal allowance for served meals.

Benefitting Agency/Sub Grantee

Any agency benefitting from funds received by a Fiscal Agent/Fiscal Conduit must meet all criteria to be a LRO except the accounting system and annual audit requirements and must sign the Fiscal Agent/Fiscal Conduit Relationship Certification form. See [Annex 4, page 94](#). **For tracking purposes, all agencies funded through Fiscal Agents or Fiscal Conduits must provide an FEIN number and a DUNS number.**

Grant Agreement Articles

The Emergency Food and Shelter National Board Program (EFSP) is a restricted federal grant. All federal grants have terms and conditions that apply to **ALL** parties participating in the grant. For the EFSP, all parties mean the National Board which is considered the *Recipient*, State Set-Aside Committees (SSAs), Local Boards, and Local Recipient Organizations (LROs) that are considered the *Sub-Recipients*. This section of the EFSP Responsibilities and Requirements Manual (EFSP Manual) provides guidance related to the Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions of the grant. The EFSP Certification Forms for all parties contain statements that incorporate the Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions. All parties must ensure their understanding of this section of the EFSP Manual and the statements on the Certification Forms being signed, as they are agreeing to specific program requirements mandated by the Federal government, including those that do not appear to apply to the types of programs and activities eligible under the EFSP. While some of the articles do not appear to be consistent with the types of programs and activities funded under the EFSP and some state recipient but not sub-recipient, all Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions must be passed on to all parties participating in the EFSP. ***All parties will be held accountable for complying with the provisions of the grant as well as full compliance with applicable requirements of all other Federal laws, Executive Orders, regulations, and policies governing this program including those not specifically stated in this Manual.***

Most SSAs and Local Boards do not receive funds (except administrative funds where they are considered to be an LRO and therefore a *Sub-Recipient*), these parties participating in the EFSP have responsibility for ensuring compliance in their selection of jurisdictions and/or LROs for funding and adhering to all EFSP requirements, including the Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions. SSAs, Local Boards, and LROs should familiarize themselves with all specific citations noted in the Manual.

review of its financial affairs. An original copy of this audit or review will be provided to the National Board upon request. **It is not necessary to have a separate, independent audit/review for this award so long as program funds are treated as a separate element in the LRO’s regular annual audit/review.** If the LRO does not have a certified annual audit/review, that audit/review must be provided by a Local Board designated Fiscal Agent for the LRO willing to account for the funds. **The audit submitted must be from the current year or one year prior. See Annex 12, page 103.**

All EFSP funded LROs (both governmental and not-for-profit) that expend \$750,000 or more in Federal funds must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 of the Office of Management and Budget (Uniform Guidance), Audits of States, Local Government, and Nonprofit Organizations, which requires a single organization-wide audit. This \$750,000 could be exclusively EFSP funds or a combination of EFSP and other Federal funds that an agency might be receiving. **Note: A copy of the audit report must be forwarded to the National Board annually along with the regular audit. EFSP funds must be clearly identified by ID number in the audit/review and Schedule of Federal Awards.**

Audits of units of government shall be made annually unless the state or local government had, by January 1, 1987, a constitutional or statutory requirement for less frequent audits. **LROs receiving funds in a single or multiple jurisdictions must identify each award individually by their LRO ID number in each jurisdiction under the Pass-Through Grantors Number on the Schedule of Expenditures of Federal Awards.**

8. Payment

A first payment shall be made to the LRO upon recommendation of the Local Board and approval by the National Board. Second payment requests include an interim report to be submitted and signed by each LRO. The request is also signed by the Local Board chair, and submitted to the National Board. For each LRO funded in the previous phase, second installments will be held until the jurisdiction’s final Local Board report and documentation for the previous year has been reviewed and found to be compliant.

9. Financial Reporting Requirements

The National Board shall provide the LRO, through the Local Board, with the necessary reporting requirements in advance of report deadlines.

LROs shall submit their final report to the Local Board that will then be forwarded to the National Board approximately 45 days after the jurisdiction’s program ending date or the date designated by the National Board.

10. Closeout

The following definitions shall apply:

- a. “Closeout” is the process by which the National Board determines that all applicable administrative actions and all required work of the award have been completed.
- b. “Disallowed costs” are those charges that the National Board determined to be unallowable in accordance with the legislation, National Board requirements and applicable Federal cost principles or other conditions contained in the award. The applicable cost principles are contained in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 of the Office of Management and Budget (Uniform Guidance.) If you are unsure of where to find this circular check with your local Congressional Representative, contact the National Board staff, or visit the Office of Management and Budget’s website: www.omb.gov.

11. Suspension and Termination Procedures

The following definitions shall apply:

- a. Termination – termination of this award means the cancellation of EFSP assistance, in whole or in part, under the award at any time prior to the date of completion.
- b. Suspension – the suspension of this award is an action by the Local Board or National Board that temporarily suspends EFSP assistance under the award pending corrective action by the LRO or pending a decision by the National Board to terminate the award.
- c. Local Board Authority – authority to suspend/reallocate all or a portion of an LRO’s award at its discretion for any cause (i.e., inability to deliver services, suspected fraud, violation of eligible costs, changing need in the community, etc.).

12. Lobbying

Pursuant to [31 U.S.C. §1352](#), an LRO is prohibited from using federally appropriated grant funds for lobbying activities. This condition bars the use of Federal money for political activities, but does not in any way restrict lobbying or political activities paid for with non-Federal funds. This condition prohibits the use of Federal grant funds for the following activities:

*A webinar detailing the process for submitting Certification Forms is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

- Federal, state or local electioneering and support of such entities as campaign organizations and political action committees;
- Direct lobbying of the Congress and State Legislatures to influence legislation;
- Grassroots lobbying concerning either Federal or state legislation;
- Lobbying of the Executive Branch in connection with decisions to sign or veto enrolled legislation; and,
- Efforts to utilize state or local officials to lobby the Congressional or State Legislatures.

Any LRO that will receive more than \$100,000 in EFSP funds is required to submit:

- a certification form that EFSP funds will not be used for lobbying activities; and,
- a disclosure of lobbying activities (if applicable).

This certification and disclosure must be submitted prior to grant payment. See [Annex 5, page 95](#) for certification and disclosure forms.

13. Debarment and Suspension Regarding Funding

Pursuant to Executive Order 12549, Debarment and Suspension, all LROs, including Fiscal Agents, Fiscal Conduits, and agencies benefiting from EFSP funding under the Fiscal Conduit, must certify that they have not been debarred or suspended from receiving funds from or doing business with the Federal government. Each LRO will make this certification by signing the LRO certification Form which states the requirement. Each Local Board must certify they have received the LRO Certification Form from the LRO which state the requirements. Additionally, the Local Board will return each LRO Certification Form with the Local Board Plan.

Other Terms and Conditions

Duplication of Benefits

There may not be a duplication of any Federal assistance by governmental entities, per [2 CFR Part §225](#) (Uniform Guidance), basic Guidelines Section C.(c), which states: Any cost allocable to a particular Federal award or cost objective under the principles provided for in this Authority may not be charged to other Federal awards to overcome fund deficiencies, to avoid restrictions imposed by law or terms of the Federal awards, or for other reasons. However, this prohibition would not preclude governmental units from shifting costs that are allowable under two or more awards in accordance with existing program agreements. Non-governmental entities are also subject to this prohibition per [2 CFR Parts §220 and §230](#) and [48 CFR Part §31.2](#) (Uniform Guidance.)

EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. EFSP is not intended to make up for budget shortfalls or to be considered a line item in an annual budget. EFSP is non-disaster, supplemental funding. Expenditures charged in full to the EFSP grant may not also be charged to other awards/grants; nor may expenditures paid for with EFSP funding be charged to other awards/grants. The statements contained in the Certification Forms – “Will use funds to supplement/extend existing resources and not to substitute or reimburse ongoing programs and services” and “Will expend monies only on EFSP eligible costs” as well as the Costs Eligibility sections of the EFSP Manual speak to this requirement.

Non-Supplanting Requirement

Grant funds will not replace (supplant) funds that have been budgeted for the same purpose through non-Federal sources. Applicants or grantees may be required to demonstrate and document that a reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds.

EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. EFSP is not intended to make up for budget shortfalls or to be considered a line item in an annual budget. EFSP is supplemental (non-disaster) funding. The Preamble and the statement contained in the Certification Forms – “Will use funds to supplement/extend existing resources and not to substitute or reimburse ongoing programs and services” speak to this requirement.

Hatch Act

The Hatch Act restricts the political activity of individuals principally employed by state or local executive agencies and who work in connection with programs financed in whole or in part by Federal loans or grants. All recipients of financial assistance will comply with the regulations, as applicable, to States and Local Governments, of the Hatch Act, [5 U.S.C. § 1501 – 1508](#), as amended.

EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs (both governmental and non-profit). These entities are responsible for determining the applicability of this requirement to the employees of their agency/ organization as this requirement is fact-dependent and needs to be compared to the work of the individual employee.

False Claims Act and Program Fraud Civil Remedies

All recipients of financial assistance will comply with the requirements of [31 U.S.C. § 3729](#) which sets forth that no recipient of Federal payments shall submit a false claim for payment. Further, [38 U.S.C. § 3801 – 3812](#) contains administrative remedies for false claims and statements made.

EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. Generally, this act provides for criminal penalties if false claims are filed.

Debarment and Suspension

[Executive Orders 12549](#) and [12689](#) provide protection against waste, fraud and abuse by debarment or suspending those persons/agencies deemed irresponsible in their dealings with the Federal government. The recipient agency must certify that they are not debarred or suspended from receiving Federal assistance. For additional information, see [2 CFR Part §3000](#) (Uniform Guidance.) *See also Appendix B. Certifications and Assurances*

EFSP Applicability: This article applies to all State Set-Aside Committees, Local Boards and LROs. The statement contained in the Certification Forms – “Is not debarred or suspended from receiving Federal funds” and the Financial Terms and Conditions sections in the EFSP Manual speak to this requirement.

Hotel and Motel Fire Safety Act of 1990

In accordance with Section 6 of the Hotel and Motel Fire Safety Act of 1990, [15 U.S.C. §2225\(a\)](#), the recipient agrees to ensure that all conference, meeting, convention, or training space funded in whole or in part with Federal funds complies with the fire prevention and control guidelines of the Federal Fire Prevention and Control Act of 1974, [15 U.S.C. §2225](#).

EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. Should SSAs, Local Boards, or LROs conduct conferences, meetings, or trainings for EFSP using any administrative funding from the EFSP, they must comply with this requirement.

Best Practices for Collection and Use of Personally Identifiable Information (PII)

DHS recommends that all grantees who collect PII have a publicly-available privacy policy that describes what PII they collect, how they use the PII, whether they share the PII with third parties, and how individuals may have their PII corrected where appropriate. Grantees may also find as a useful resource the DHS Privacy Impact Assessments: The Privacy Office Official Guidance and the Privacy Impact Assessment Template (available on the DHS Privacy Office website at:

http://www.dhs.gov/xlibrary/assets/privacy/privacy_pia_guidance_june2010.pdf and

http://www.dhs.gov/xlibrary/assets/privacy/privacy_pia_template.pdf.

EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. In order to meet the documentation requirements of the EFSP in certain program categories, it is necessary to obtain, retain, and provide, if requested, PII for clients served with EFSP funding. Additionally, there must be a system in place to ensure there is no duplication of service in the specific categories of rent/ mortgage and utility assistance which may require the sharing of PII for this purpose. The National Board does not require and does not expect to receive PII beyond what is noted in the EFSP Documentation Requirements as stated in the Manual. Items that should not be submitted to EFSP as documentation include, but are not limited to, driver’s licenses, Social Security Numbers or cards, pay stubs, etc.

Program Costs

LROs may not operate as vendors for themselves or other LROs, except for the shared maintenance fee for food banks.

Intent of Program

The intent of this program is for the purchase of food and shelter, to supplement and expand current available resources and not to substitute or reimburse ongoing programs and services or to start new programs.

*A webinar providing an overview of the Emergency Food and Shelter Program is available on the EFSP website under **Training Workshops**.*

The intent regarding the use of funds is that goods and services purchased or provided with EFSP funds should be used as necessary on a daily basis to help meet community need during the spending period. Food vouchers and purchased gift certificates/gift cards must be distributed and used during the jurisdiction's spending period. Large purchases made at the end of the spending period do not meet the intent of the program and will be considered ineligible.

Questions

LROs with questions regarding interpretation of the program's guidelines **must** direct them to the **Local Board** prior to action. Local Boards unsure of the meaning of these guidelines must contact the National Board staff at efsp@uww.unitedway.org or 703-706-9660 for clarification prior to advising the LRO. Webinars for training on the EFSP program are available on the EFSP website under **Training Workshops** on the left-hand menu after you login.

Client Eligibility

The EFSP is a needs based program for which clients must qualify.

The National Board does not set client eligibility criteria. Local Boards may choose to set such criteria. If the Local Board does not set eligibility criteria, the LRO may use its existing criteria or set criteria for assistance under this award. Any criteria used must provide for assistance to needy individuals without discrimination (age, race, sex, religion, national origin, disability, economic status or sexual orientation), sensitivity to the transition from temporary shelter to permanent homes, attention to the specialized needs of homeless individuals with mental and physical disabilities and illness and to facilitate access for homeless individuals to other sources of services and benefits. In providing assistance under the EFSP, verification of proof of citizenship or qualified alien status of any applicant for assistance is not required.

Note: Funds allocated to a jurisdiction may only be used for residents and transients within that jurisdiction.

No Fee Requirement for Services

No individual, family or household may be charged a fee for service or be required to attend religious/counseling services with relation to assistance received under EFSP. Please note, EFSP does not consider the receipt of donations to an agency to be the same as a fee for service. The receipt of donations does not prevent an agency from participating in the EFSP.

Payment to Vendors

Pay for all eligible program expenses by an approved method of payment directly to the vendor not more than 90 days after the invoice date. Approved payment methods are:

- LRO check
- LRO debit card
- LRO credit card - vendor issued (i.e., Sam's Club, other store vendor issued credit card)
- LRO credit card - third party (i.e., American Express, Visa)
- Electronic payment from LRO's bank account

*A webinar providing background on eligible and ineligible expenditures is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

This program does not allow the reimbursement of staff/volunteers, other LROs or any party other than the vendor of services. Cash payments are ineligible.

Note: A Fiscal Agent/Fiscal Conduit must pay the vendor directly with an approved method of payment and may not reimburse other agencies for which they are serving as the Fiscal Agent/Fiscal Conduit.

Selection of Vendor

The LRO must select vendors whose requirements do not conflict with EFSP requirements. If a vendor's requirements conflict, the LRO must either use a different vendor or work with the vendor so EFSP guidelines are followed. LROs must provide a preference of vendors for, the purchase or acquisition of goods, products, or materials produced in the United States. Vendors must be able to provide a vendor originated invoice and must be able to accept an EFSP acceptable method of payment. (If a vendor only accepts cash, they may not be used for EFSP provided services unless they agree to accept an agency check or other EFSP acceptable payment method.)

Client Confidentiality

While the National Board respects the need for confidentiality, required documentation must be maintained.

When client confidentiality is protected by statute, LROs may use a unique identifier in providing and documenting services to clients. When submitting documentation where a unique identifier has been used, the LRO is responsible for providing documentation of the statute that applies to the clients served and services provided by their agency that are protected.

Eligible Program Costs

Special Documentation Note: Spreadsheets are required for all expenditures in all funding categories, including administration and must be submitted with each LRO's Final Report, even if complete documentation is not required. The spreadsheets may be generated from the agency's financial or case management system. The required elements for the spreadsheets are stated in the Required Forms section, page 83. Sample spreadsheets are available on the website under **Forms**.

Eligible program costs include, but are not limited to:

Food Purchases for Food Banks/Pantries and Other Food Providers

For food banks/pantries and other food providers, eligible costs include:

Food, food vouchers, seeds, gift certificates for food (gift certificates must be marked "Food Only", "Food & Diapers Only" or Food, Diapers & Feminine Hygiene Items Only"). **Note: Gift Cards are eligible only if they can be marked/encoded "Food**

Only", "Food & Diapers Only" or "Food, Diapers & Feminine Hygiene Items Only". The same applies for food vouchers and gift certificates. There must be an agreement with the vendor that food, food and diapers only or food, diapers and feminine hygiene items only will be allowed and no cash will be returned to clients.

*A webinar providing background on eligible and ineligible expenditures is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

An allowance for maintenance fees charged by food banks may be granted by a Local Board at the prevailing rate. EFSP funds cannot be used to pay such a maintenance fee twice: by a food bank and by the food pantry/LRO it is serving.

Only food banks may operate under EFSP as both vendor and LRO.

EFSP funding is intended to provide for basic, nutritional meals on an ongoing basis not for non-nutritive items. The funding is not intended to be used for a singular event, special celebratory events, holiday baskets, etc. Also, dessert items (i.e., cookies, snack food, candy, etc.) used as part of a daily meal plan may be purchased in limited amounts.

Documentation required: spreadsheets, dated receipts/invoices/completed vouchers for food purchased and proof of payment to vendor by an acceptable payment method. Vouchers and gift certificates/gift cards must state "food items only" not "groceries or merchandise". Invoices and evidence of payment for the purchase of food gift certificates/gift cards are required. Additionally, a single copy of the gift certificate/gift card indicating restrictions [i.e., food items only, diapers and feminine hygiene items, if approved by the Local Board, no cash back] must be supplied along with the invoice. When using a food voucher, if all three signatures and dates are included, no itemized receipts will be necessary; however, if one or more signatures or the dates are missing, the itemized receipts must be submitted. The signatures must be from the client, caseworker and the vendor of service. See Annex 8 [page 99] for sample of food voucher.

Routine maintenance and service contracts are **not** eligible.

Minor emergency equipment repair for mass shelter/mass feeding awards are included in per diem/per meal costs. An LRO may not be awarded additional funds for minor emergency equipment repair if documenting their expenditures with a per meal or per diem schedule.

Documentation required: spreadsheet, dated letter from Local Board indicating approval and dated invoices for equipment repair and proof of payment to vendor by an acceptable payment method.

Good judgment must be exercised in determining the most cost-effective use of EFSP funds when deciding an equipment purchase against a repair.

These improvements may include those required by the Americans With Disabilities Act of 1990. A building code citation is not necessary for accessibility improvements. Both the National Board and the Local Board must approve in advance, any accessibility improvements.

All social service providers are mandated to comply with the Americans With Disabilities Act of 1990 (ADA).

Note: The documentation requirements for each option are noted with each option.

Option 1: Mass Shelter/Direct Cost

- LRO's total mass shelter award is expended in this manner.

It is the decision of the Local Board to choose between the \$7.50/\$12.50 rates. This rate may vary from agency to agency depending on the level of services provided to the clients. The \$7.50 or \$12.50 rates, if elected, may be expended by the LRO for any cost related to the operation of the mass shelter; it is not limited to otherwise eligible items. EFSP funding is intended to provide for daily, basic, nutritional meal costs on an ongoing basis. The funding is **not intended to be used for a singular event, special events/celebratory events/holiday meals**, etc. Basic non-excessive meal costs may be applied towards special/celebratory/holiday meals served only as part of an ongoing program. Also, dessert items (e.g., cookies, snack food, candy, etc.) used as part of a daily meal plan may be purchased in limited amounts.

The per meal allowance may be used to cover costs such as rent, utilities, and staff salaries for those staff necessary for the preparation and serving of food. **The per meal allowance does not include the additional costs associated with shelter or the per diem shelter allowance.**

EFSP funding is intended to provide for daily, basic, nutritional meal costs on an ongoing basis. The funding is **not intended to be used for a singular event, special events/celebratory events/holiday meals**, etc. Basic non-excessive meal costs may be applied towards special/celebratory/holiday meals served only as part of an ongoing program. Also, dessert items (e.g., cookies, snack food, candy, etc.) used as part of a daily meal plan may be purchased in limited amounts.

Documentation required: daily schedule showing meal rate of \$2 and number of meals served by date with totals. Note: The daily schedule serves as the spreadsheet for the per meal allowance. If the bill is not in the client's name, documentation must be provided to prove that it is the client's responsibility to pay the bill.

Documentation required: spreadsheet, dated and signed letters from landlords [must include amount of one month's rent and due date] mortgage company's letter and/or copy of mortgage loan coupon showing monthly mortgage amount and date due and proof of payment to vendor by an acceptable payment method. Payments must be made to the landlord ONLY, not to both client and landlord. Documentation must support the payment made and is limited to a maximum of one month's assistance. A copy of the client's lease is only accepted when paying the first month's rent. See Annex 7, page 98.

First Month's Rent Payment

First month's rent may be paid when an individual or household:

- a) Is transient and plans to stay in the area for an extended period of time; or
- b) Is moving from a temporary shelter to a more permanent living arrangement; or
- c) Is being evicted because one-month's payment will not forestall eviction in current housing.

First month's rent:

- a) **Cannot** be provided in addition to emergency rent/mortgage assistance under item 1 above.
- b) **May** be provided in addition to assistance provided for off-site or mass shelter.
- c) **May** only be provided by a single LRO in a jurisdiction each award phase for an individual/household.
- d) **Cannot** be paid more than **30** calendar days before occupancy.

Documentation required: spreadsheet, dated and signed letters from landlords or current lease [must include amount of first month's rent and due date] and proof of payment to vendor by an acceptable payment method.) See Annex 7, page 98.

Documentation must support the payment made which is limited to a maximum of one month's assistance.

Note: First month's rent is the only situation in which the lease is acceptable documentation.

Rent/Mortgage Assistance Special Note

EFSP will allow a one-time payment of \$250 or less for rent/mortgage assistance where the past due balance is \$250 or more without the verification of the monthly rent/mortgage amount. Verification of an outstanding balance, month covered, and due date for the rent/mortgage is still required.

Utility Assistance

For utility assistance, eligible program costs include:

Limited metered utility assistance (includes gas, electricity, water, and sewer service) for individuals or households. The client must be 1) a resident of the home or apartment and 2) responsible for the utility on the home or apartment for which utility assistance is to be paid provided conditions “a” through “f” below are met:

- a) Payment is in arrears or due within **10** calendar days;
- b) All other resources have been exhausted (e.g., State's Low-Income Home Energy Assistance Program);
- c) Payment is limited **to a maximum of one month's billed usage** cost for each utility (e.g., gas, electric and water) for each individual or household;
- d) The month paid is the current amount, budget amount **or** part of the arrearage that is still owed at the time of payment and that is either from the current award phase or for continuous service prior to award phase that remains past due;
- e) Each utility is paid only once in each award phase for any individual or household; and
- f) Payment guarantees an additional 30 days service.

Note: If paying from a past due notice, a breakdown of the monthly usage charges must be obtained (a copy of current client billing and payment history by month from the utility provider). The highest one month amount from the phase/year may not be paid unless it is part of the amount currently owed at the time of payment. Where clients have made a partial payment, the payment is generally applied to the oldest past due amount. The entire EFSP amount paid may only be a maximum one month amount that is all still past due. Documentation must clearly indicate which month is being paid from the breakdown of monthly charges and must be part of the past due amount still owed at the time of payment.

Reconnect fees are eligible. Required fees that are included on the bill are eligible. Level billing or budget payments are eligible. Elective fees/items are not eligible.

Late fees and deposits are not eligible. Repayment agreements beyond the one month billing are not eligible.

Limited non-metered utility assistance (includes oil, firewood, coal, propane) for individuals or households provided conditions “a” through “c” below are met:

- a) All other resources are exhausted (e.g., State's Low-Income Home Energy Assistance Program).
- b) Payment is limited to a one-time delivery (e.g., the minimum amount of delivery for firewood, minimum gallons of fuel oil, propane).
- c) Each utility is paid only once in each award phase for any individual or household.

The intent of non-metered utility assistance, like metered utility assistance, is to provide 30 days of service.

Note: A maximum of a one month's utility bill may be paid for a client/household by a single LRO in a jurisdiction. Multiple LROs may not join together and each pay a portion of a single utility bill. Rental fees for propane tanks or other equipment are not eligible.

If the bill is not in the client's name, documentation must be provided to prove that it is the client's responsibility to pay the bill.

Documentation required: (1) spreadsheet, metered utilities [e.g., electricity, water], the most recent copy of past due or current utility bill with a breakdown which clearly identifies the one month's charges being paid including due date and proof of payment to vendor by an acceptable payment method; (2) spreadsheet, non-metered utilities [e.g., propane, firewood], receipts/invoices for fuel including due date or delivery date and canceled checks or documentation for other acceptable payment methods. (Estimated delivery quotes are not acceptable.)

EFSP allows a payment of \$100 or less on a utility bill with a past due amount or shut-off notice of \$100 or more without the monthly breakdown showing the client's monthly billing amount. A bill is still required to show the outstanding balance, but a service period is not required.

Note: Utility disconnects and termination notices often do not show the amount owed by month. The monthly information must be verified with the utility company (a copy of current client billing and payment history by month from the utility provider) and written onto the notice or metered utility verification form. If one month's service cannot be verified from the bill or with the utility company, the LRO may pay up to \$100 per individual or household provided at least \$100 is owed on the bill. This \$100 is not a cap. If an LRO wishes to pay more than \$100, the one month amount paid must be verified.

Documentation required: spreadsheet, dated copy of utility bill, disconnect, termination, final or shut-off notices with one month verification, if necessary, and proof of payment to vendor by an acceptable payment method. Documentation must state which month's usage is being paid from the breakdown of monthly charges as well as the due date.

For additional information on utility assistance guidelines, see Annex 14 [page 107].

Metered Utility Verification Form

The National Board encourages the use of the Metered Utility Verification Form (along with a copy of the current utility bill or the client's billing and payment history from the utility company) as the preferred method for verifying eligible utility assistance. The bill must be attached to the metered utility verification form and the information on the bill must support the information completed on the form. Documentation must state which month's usage is being paid from the breakdown of monthly charges as well as the due date. The form must be completed in its entirety and proof of payment must be provided with the form and supporting documentation. See [Annex 6, page 97](#) for sample metered utility verification form.

Diapers

For all service providers, the purchase of diapers is eligible as described below:

- For direct distribution to individuals.
- For residents of mass shelters.
- For vouchers to grocery stores.

Note: Local Boards must use discretion in selecting LROs to provide this service, taking into consideration the cost effectiveness of bulk purchasing.

Documentation required: *spreadsheet, dated receipts/invoices for diapers purchased and/or proof of payment to vendor by an acceptable payment method.*

Feminine Hygiene Items

For all service providers, the purchase of limited, basic feminine hygiene items is eligible as described below:

- For direct distribution to individuals.
- For residents of mass shelters.
- For vouchers to grocery stores.

Note: Prior Local Board approval is required. Local Boards must use discretion in selecting LROs to provide this service, taking into consideration the cost effectiveness of bulk purchasing.

Documentation required: *spreadsheet, dated receipts/invoices for feminine hygiene items purchased and/or proof of payment to vendor by an acceptable payment method.*

*A webinar providing background on eligible and ineligible expenditures is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

31. Prescription medication, medical supplies, or vitamins.
32. Clothing (except underwear/diapers for clients of mass shelters, if necessary).

Administrative Allowance

By law, there is an administrative allowance limitation of two percent (2%) of total funds received by the Local Board excluding any interest earned. **This allowance is a part of the total award — not in addition to the award.**

The local administrative allowance is intended for use by Local Boards and/or LROs and not for reimbursement of program or administrative costs to an LRO's national organization (its state or regional offices) which might be incurred as a result of this additional funding. LROs wishing to use part of their grant for administration must include this request in their application for funding.

Distribution of the allowance among LROs is decided by the Local Board. No LRO may receive an allowance greater than 2% of that LRO's award amount unless the LRO is providing the administrative support for the Local Board and is approved by the National Board. The administrative allowance may only be allocated in whole dollar amounts.

The Local Board may elect to use, for its own administrative costs, all or any portion of the 2% allowance. The Local Board may apply the administrative allowance toward advertising expenses, if necessary.

Administrative costs incurred in the processing of Final Reports are allowable from the date the Final Reports are made available from the National Board until the due date of the jurisdiction's Final Report. The day the jurisdiction's Final Report is due would be the last day administrative expenditures would be considered eligible. Any administrative costs incurred after the due date would be considered ineligible.

The administrative allowance for the Local Board and the other LROs cannot exceed 2% of the jurisdiction's total allocation, rounded to the nearest whole dollar. Any amount less than fifty cents is rounded down and fifty or more cents is rounded up. The maximum administrative allowance is noted on the Local Board plan. Any of the administrative allowance not spent must be put back into program funds for additional services.

Documentation required: Spreadsheets must be submitted along with the final report. LROs receiving funds for administration must retain supportive documentation that the funds were spent on the direct administration of EFSP.

Required Documentation

All EFSP documentation must be obtained and retained as noted in this manual. Documentation may be requested at any time, even if not required initially with the Final Report. Documentation for all program areas, including administration, must be provided when requested.

Spreadsheets are required to be submitted along with documentation for all expenditure categories. The spreadsheets may be generated from the agency's financial or case management system. The required elements for the spreadsheets are stated in the Required Forms section, page 83. Sample spreadsheets are available on the website under Forms.

Documentation refers to those accounting records that support payments for EFSP expenditures. Each payment requires two basic accounting records.

First, a copy of the LRO's proof of payment made not more than 90 days following the invoice/purchase date or date of intake is required. Proof of payment would include as necessary: LRO's canceled check returned from the bank payable to the vendor; LRO's bank statement showing electronic payment or debit card payment to vendor; or LRO's canceled check payable to the credit card company. Do not copy either side of a check that has **not** been canceled by the bank unless submitting with bank statement for which cancelled checks are not returned.

*A webinar providing guidance on preparing spreadsheets is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

Note: When a check goes through the bank, it is generally encoded on the bottom of the check. These numbers represent the amount for which the check was processed. The front of the check shows the date of payment and the payee. The bank statement verifies that the check was debited from the LRO's account.

For electronic checks and debit purchases, the bank statements must clearly identify the payee by name for each transaction (not a string of codes).

When checks are converted electronically at the time of purchase, it is similar to the use of a debit card. The money is immediately placed on hold in the account by the bank. EFSP requires copies of the bank statement to support expenditures paid with agency's electronically converted check and debit card payments.

If an LRO cannot provide copies of both sides of the canceled check because the LRO's bank does not return checks, the following items are acceptable alternatives:

- Facsimile copies/images of canceled checks (front) from the LRO's checking account statements. **If submitting facsimile copies/images of checks, the copies must be large enough to read and be clearly legible. (Please enlarge prior to photo copying.)**
- Substitute bank generated checks from the LRO's checking account statements. Copies of checks may be available via your bank's website. **Copies of bank generated checks must be large enough to read the check date and to whom the check is written. (Please enlarge prior to photo copying.)** If the bank generated checks do not show a cancellation on the front, then the bank statement must also be submitted.
- LRO's checking account statements along with a copy of the front of the check when it was issued by the LRO.

Second, a copy of the **vendor's itemized invoice**. **All copies of documentation must be clearly legible.** An acceptable invoice has the following characteristics:

- It must be vendor-originated and have name of vendor.
- It must have name of purchaser and have date of purchase.

- It must be itemized (description of each item, number of each item and cost of each item).
- It must have total cost of purchase.

Documentation may also include:

- Credit card statement showing purchase and payment along with itemized receipt of purchase.
- Vouchers with detailed description of goods or services provided,
- Daily per diem shelter allowance schedule. (See Annex 9, page 100),
- Daily per meal allowance schedule. (See Annex 10, page 101).
- Per trip mileage logs at the allowed rate of \$0.545. (See Annex 11, page 102).

Client Confidentiality in Documentation Submitted:

- In submitting documentation to the National Board with their Final Report, LROs providing services to clients where confidentiality is protected by statute may use a unique identifier.
- If using a unique identifier when submitting documentation for clients served, the LRO is required to provide documentation of the statute which applies to the clients served and services provided that are protected.

Note: The National Board reserves the right to request additional documentation as deemed necessary to support expenditures under the EFSP (e.g., landlord letters, billing and payment histories, sign-in logs).

All documentation submitted for review must be complete, clear and completely legible. Please enlarge prior to copying to ensure readability, if necessary.

All LROs must:

1. Have records audited by an independent certified public accountant if receiving \$100,000 or more in EFSP funds; have an annual accountant’s review if receiving from \$50,000 to \$99,999;
2. Keep their documentation records for three years after each end of program year. Documentation includes but is not limited to: LRO Certification form, application for funding, Local Board approval of funding, Second Payment Request/Interim Report, Final Report, all expenditure documentation (vendor invoices/receipts and proof of payment);
3. Be subject to review and/or audit by the National Board, FEMA and/or the DHS Office of Inspector General during those three years — **(Note: Documentation must be retained longer than the three-year period if compliance problems are identified. Once compliance problems are resolved, the three-year retention period begins.);**
4. Complete and return to the National Board the interim and final LRO reports;
5. Return any unused award funds to the National Board at the end of the spending period (\$5.00 or more). Checks must be made payable to United Way Worldwide/Emergency Food and Shelter National Board Program, 701 North Fairfax Street, Alexandria, Virginia 22314 and include Local Board ID and LRO ID numbers on the face of the check in the upper right corner; and,
6. All award funds must be expended during the current phase begin and end dates.

*A webinar providing background on common compliance issues is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

*A webinar providing background on audit requirements is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

*A webinar detailing the process for submitting a Final Report is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

The ending date for the spending period in each jurisdiction for all award types is selected by the Local Board. The jurisdiction's spending period start and end dates are noted on the Final Report.

Who Must Submit Documentation

All LROs will be required periodically to submit documentation to the National Board to ensure continued program compliance.

Any LRO not funded in the previous phase will be considered new for compliance purposes and will be required to submit documentation. LROs having major compliance exceptions or those not clearing in a timely fashion will be required to submit documentation for the next phase. Any LRO having ineligible costs will be required to submit documentation.

*A webinar detailing the process for submitting a Final Report and common compliance issues is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

LROs whose audits have reported findings will, at the discretion of the National Board, submit documentation.

Copies of all documentation (from LROs required to submit) must be submitted to the Local Board when requested after the end of the jurisdiction's spending period. The Local Board is then **required to review and submit all documentation** to the National Board after the end of the jurisdiction's spending period by the specified deadline.

Each LRO is responsible for ensuring that the copies of documentation submitted are **legible** and **organized** as indicated in the Final Report instructions.

Poorly copied or unorganized documentation may be returned to the Local Board for correction, and may result in a delay in receiving additional funding for the LRO and/or the jurisdiction.

Note: In certain instances, the National Board may request submission of documentation to comply with outside audit requests.

- The audit firm selected to review National Board records will review a statistically valid random sample of agencies which were NOT required to submit documentation under normal procedures.
- National Board staff will conduct periodic site reviews in funded jurisdictions. In each jurisdiction selected, several LROs will be chosen.
- FEMA staff will conduct site reviews in several randomly selected jurisdictions.
- The DHS/OIG will continue its practice of random site audits.
- FEMA's Office of Chief Financial Officer may also conduct reviews including, but not limited, to compliance with the Improper Payments Elimination and Recovery Act (IPERA).

Reminder: Local Boards and LROs must submit complete, accurate, legible documentation when requested in a timely manner. Failure to comply promptly with any documentation request may jeopardize a jurisdiction's or LRO's funding.

Required Forms

The following pages include samples of the required forms that must be used by participants of the EFSP. *These forms may not be altered.* Copies of the spreadsheet templates are available under Forms on the EFSP Website. All certification forms will be sent to the required signers as part of the e-signing process. Please direct any questions regarding the forms to the National Board staff.

Annex 1: Spreadsheets

Spreadsheets are required as part of the documentation requirements to support all expenditures made with EFSP funds. Samples of the required spreadsheets and elements for each category are included in this manual and can be found on the EFSP website under **Forms**. The following is a list of the elements required for the spreadsheets.

*A webinar providing guidance on preparing spreadsheets is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

Required Elements with Explanation

1. **Billing Period Covered with Payment:** service period paid for client’s utility bill; if a non-metered utility bill is paid, indicate not applicable (N/A) on the spreadsheet. The required date format is MM/DD/YY-MM/DD/YY. If an LRO pays \$100 or less for a client from a past due balance of disconnect/cutoff/shutoff notice from the utility company, the “billing period covered” information is not required on the spreadsheet. Enter “N/A” in the column labeled “billing period covered”.
2. **Building Code Citation Date:** date the agency (feeding or shelter site) received the citation from the local city/county government indicating required work needed on building where services are provided. The required date format is MM/DD/YY.
3. **Client First Name:** legal name of the individual seeking assistance (this only applies to other shelter, rent/mortgage and utility categories.)
4. **Client Last Name:** legal name of the individual seeking assistance (this only applies to other shelter, rent/mortgage and utility categories.)

7. **Due Date:** date the client’s rent/mortgage and/or utility bills had to be paid (this only applies to rent/mortgage and utility categories.) For rent please use the due date per the lease, not the due date listed on the eviction notice. The required date format is MM/DD/YY.
8. **Delivery Date:** if a non-metered utility bill (propane, firewood, coal, kerosene) is paid, indicate the date of delivery to the client. The required date format is MM/DD/YY.
9. **EFSP Portion of Invoice Amount:** portion of the purchase paid with EFSP funds; the column must be totaled on each page if multiple pages are required for the category. The total amount must be provided for the category on the last page, if multiple pages are required.
10. **Invoice/Receipt Amount:** total cost of purchase as listed on the invoice or receipt.
11. **Invoice/Receipt Date:** date the vendor prints on the invoice or receipt. The required date format is MM/DD/YY.

13. **Landlord/Mortgage Company Name:** individual or company that a client is required to pay their rent or mortgage payment to each month
14. **Member Agency Name:** food banks must provide the name of the agency(ies) that received food when using a shared maintenance fee.
15. **Month Covered with Payment:** service period paid for client's rent/mortgage or utility (month paid.) The required date format is MM/DD/YY-MM/DD/YY, should indicate the month of coverage provided by the payment.

17. **Page Numbers:** number all pages of the spreadsheets, when multiple pages are required for a category.
18. **Payment/Check Clear Date:** date the payment/check goes through banking system (also known as cancellation date of a check); EFSP generally references the check or the bank statement for this information. If an agency's debit/credit card is used, the date will be the same as the purchase date. The required date format is MM/DD/YY.
19. **Payment/Check Date:** date the payment/check is issued (date printed on the check, money order, etc.) to pay vendors; if an agency's credit/debit card is used, indicate the date of the purchase (**do not include the card number.**) The required date format is MM/DD/YY.
20. **Payment/Check Number:** preprinted number on check, money order, etc. used to pay vendors for service; if an agency's credit/debit card is used, indicate credit card or debit card in the spreadsheet (**do not include the card number.**)

Served Meals

Below is a sample spreadsheet of the elements that must be included in the spreadsheet provided to the National Board to support ALL expenditures made in the **Served Meals** category (when not using the per meal allowance) with Emergency Food and Shelter Program (EFSP) funds. The spreadsheet must be presented to the National Board in order by payment/check number. Annex 12: Audit/Review and Audit/Documentation Retention Responsibilities

Audit/Review Requirements

The EFSP annual audit requirement allows for two different levels of review depending on the LRO's level of funding. This change took place in Phase 23 (FY2005) and is noted on pages 37 and 42 of this manual. The EFSP audit requirements are:

*A webinar providing background on audit requirements is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

For LROs receiving \$100,000 or more in EFSP funding, the National Board requires an independent annual audit in accordance with Government Auditing Standards. For LROs receiving from \$50,000 to \$99,999, the National Board requires an annual accountant's review. For newly funded LROs and LROs funded above the amount requiring an audit or review for the first time, the LRO must arrange for the audit or review of funds to coincide with the next scheduled annual audit or annual review of its financial affairs.

The National Board will accept an LRO's national/regional annual audit if the following conditions are met:

- LRO is truly a subsidiary of the national organization (i.e., shares a single federal tax exemption).
- The LRO is audited by the national/regional office internal auditors or other person designated by the national/regional office AND the national/regional office is audited by an independent certified public accountant or public accountant or accounting firm, which includes the national/regional organization's review of the LRO in a larger audit review.
- A copy of the local audit review along with a copy of the independent audit of the national/regional office will be made available to the National Board upon request.

Any agency expending \$750,000 or more in Federal funds must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 of the Office of Management and Budget (Uniform Guidance.) Note: A copy of this report must be forwarded to the National Board annually along with the regular audit. The \$750,000 threshold is a combination of all Federal funds, not just EFSP funding.

Audits of units of government shall be made annually unless state or local government had, by January 1, 1987, a constitutional or statutory requirement for less frequent audits.

All audits/reviews must clearly identify EFSP funding by ID number and include EFSP funds in the Schedule of Federal Awards. Note: EFSP funding is a direct Federal grant to the LRO; it is not pass through from some other organization (i.e. local government, United Way).

The changes in these requirements are specific to the EFSP and meeting any other local, state, or federal audit requirements or those required by any other funding source are the responsibility of the LRO.

Audit/Review Terminology

Audit – A formal examination of financial statements intended to assess the accuracy and thoroughness of financial records. An independent auditor performs this procedure on a set of financial statements in order to render an opinion based on the accounting records provided. An unqualified audit opinion states that the financial statements are in conformity with the General Accepted Accounting Principles (GAAP) in the United States. Audits are performed according to General Accepted Accounting Principles

(GAAP) in the United States. An audit is more expensive than a review or compilation because an opinion on the accuracy of financial statements requires significantly more work than that involved in either a review or a compilation. *Under EFSP, an audit is required for any LRO receiving \$100,000 or more in funding.*

Review – Accountants perform limited procedures as a basis for expressing limited assurance on financial statements. Although not as comprehensive as an audit, a review provides more assurance than a compilation. A review report states that: 1) the accountants do not express an opinion on the financial statements and, 2) based on their review, they are not aware of any material modifications that should be made to the financial statements. A review is less expensive than an audit but more expensive than a compilation. *Under EFSP, a review is required for any LRO receiving from \$50,000 to \$99,999.*

Annex 13: Documentation Retention Responsibilities and Other Review/Audit Responsibilities

EFSP requires all LROs to maintain documentation for three years from the end-of program date as noted on pages 10 and 35 of this manual. The documentation to be retained includes financial records, supporting documentation, statistical records, and all other records pertinent to the award. The exceptions to the three-year rule are noted on page 58 and include litigation, claim, program compliance issues, or audits started before the three-year period and records for non-expendable property acquired either wholly or partially with EFSP funds.

*A webinar providing background on audit requirements is available on the EFSP website under **Training Workshops** on the left-hand menu after you login.*

The documentation must be accessible should there be reason for your agency to produce the documentation for review. This review might include the audit of these expenditures after you have reported to the National Board for the spending period. Please reference pages 27 and 38 guidelines for documentation disaster recovery plans.

Site Reviews: The National Board staff conducts site compliance reviews of LROs funded through the EFSP. These site reviews are conducted at the LRO's offices and original documentation supporting expenditures of EFSP funds are required. The original documentation would include all canceled checks or other approved method of payment and vendor invoices for expenditures charged to EFSP. If an LRO is using the per meal allowance or per diem allowance, the documentation would include sign-in sheets, case records, as well as the supportive documentation for actual expenditures (i.e., proof of payment, vendor invoices). Very often, multiple phases are reviewed during the site compliance review of the LRO.

Independent Audit: Annually EFSP undergoes an independent annual audit as required by the Federal government. During this audit, EFSP's independent auditors review documentation submitted by LROs that has already been reviewed by EFSP staff. Additionally, they request documentation from a sample of LROs that were not required to submit documentation with their Final Report. LROs must comply with the request from EFSP's independent auditors including the resolution of compliance problems noted by the independent auditors in their review.

Other Audits: Staff from the Federal Emergency Management Agency (FEMA) may also conduct site audits of funded LROs. Additionally, as EFSP funding is Federal funding, the U. S. Department of Homeland Security Office of Inspector General or Office of Chief Financial Officer may also conduct site audits. This includes the Improper Payments Elimination and Recovery Improvement Act (IPERIA) assessment.

How are the site compliance reviews determined: The National Board has given the staff guidance for conducting site compliance reviews which includes, but is not limited to, reviewing LROs in jurisdictions where there are ongoing compliance problems, reviewing LROs who have failed to submit documentation to the National Board or the Board's independent auditors, findings in the independent audits submitted by LROs, concerns regarding operations from the Local Board or others, reviewing LROs funded in certain categories or areas of the country, alleged or suspected fraud, and at the request of the DHS Inspector General.

Generally, when site compliance reviews are conducted, several LROs in a jurisdiction or in surrounding jurisdictions are reviewed and multiple phases of each LRO's EFSP funding is reviewed.

Please note that since documentation must be retained for three years (see text used in other place in the manual for consistency), all of those years are subject to reviews/audits at any time. Even if an LRO has filed Final Reports and received clearing letters, they are still subject to any of the reviews/audits noted above as well as requests for submission of documentation.

Audit Confirmation Requests: LROs requesting confirmations of funds received for external auditors must indicate the LRO ID number (9-digits) for each jurisdiction for which a confirmation is requested.

SPECIAL NOTE: DOES MY LRO HAVE TO HAVE AN AUDIT OR A REVIEW?

To determine what type of review is required for an LRO, the LRO must know the total amount of funding it is receiving from EFSP in all jurisdictions in which it is funded. The TOTAL EFSP funding is used to determine the type of review. For example, LRO ABC is funded in only one jurisdiction and receives \$55,000 – a review would be required since LRO ABC is receiving more than \$50,000 but less than \$100,000. LRO XYZ is funded in three jurisdictions, in jurisdiction #1 \$49,000 is received, in jurisdiction #2 \$17,000 is received, and in jurisdiction #3 \$36,000 is received. LRO XYZ would be required to have an audit. They are receiving a total of \$102,000, which is greater than the \$100,000 threshold for requiring an audit even though in each jurisdiction they are receiving less than \$50,000.

Annex 14: Utility Documentation Guidelines

These guidelines provide a general overview regarding utility assistance provided to clients. Please refer to pages 72-73 and 89 of this manual for complete guidelines on using EFSP funds for utility assistance.

When using EFSP funds to provide utility assistance remember that only one month, approximately thirty days of service may be paid of each bill for an individual or household per award cycle. Billing cycles of more than one month must be divided by the number of months in the cycle to get the one-month amount that may be paid. For example, if the cycle consists of two months, divide the total cost of the bill by two to get the amount that may be paid. If the client is on a budget plan and has the option of paying the actual usage cost or the budgeted amount an agency may select either amount. Only one can be paid, not both. The minimum amount required by the vendor to keep service on cannot be paid, if it is more than one month's bill. When a utility payment is made, it must guarantee an additional thirty days of service for the client. If the vendor will not grant the additional thirty days of service for the payment, then EFSP funds cannot be used to assist the client. A reconnect fee to restore service may be paid with EFSP funds. However, late fees, deposits and other service charges are not eligible as part of the utility payment. If these charges are required to maintain service for the client an agency will need to use another funding source to cover the cost of the items.

Documentation of utility payments must always include a copy of the canceled check or an approved method of payment dated no more than 10 calendar days before the bill's due date, made payable to the vendor along with the utility bill from the vendor for metered utility services (gas, electric, water) that clearly verifies the one-month amount paid. The utility bill from the vendor must include the client's information (name, address, account number, etc.). A copy of the receipt from the vendor showing the date of delivery and cost of service for the minimum delivery or fill-up is required for non-metered utility payments (propane, coal, firewood). The most current utility bill available must be provided. Old bills will not be accepted. Payments must be made no more than 90 days after the receipt/invoice or client intake date. The **Metered Utility Verification Form** found in the manual, [Annex 6, page 97](#) may be useful in documenting the one-month amount paid, *if completed correctly*. A Metered Utility Verification Form I required when LROs are paying more than \$100 from a past due balance, and metered utility bill or shut off notice does not clearly identify the one-month billed amount and the dates of service. The form must be completed to show the dates of service covered with the payment made. The Metered Utility Verification form cannot be submitted along with the canceled check in lieu of the utility bill. Also, an agency's internal paperwork cannot be submitted in place of the utility bill. A utility bill from the vendor must be submitted to support each payment made.

The following are the most common types of bills that are submitted with documentation for review from agencies. They are current utility bills that may include a budget amount and past due or disconnect notices covering multiple months. Clients may also present similar bills from the utility vendors serving the community. Please read the following carefully for paying and documenting utility expenditures.

- **Current Utility Bill** – This bill is not yet past due. An agency may pay the current one month's bill no more than 10 calendar days before it is due. The one-month amount and service dates are verified. The amount covered by EFSP funds are still outstanding at the time of payment. If the bill is paid more than 10 calendar days prior to the due date, the payment is considered ineligible under EFSP guidelines.
- **Current Utility Bill with Budget Amount** – This bill should include the amount of the actual usage for the month in addition to the budget amount the client is required to pay. An agency may pay either the actual usage or budget amount of the bill no more than 10 calendar days before it is due. The one-month amount and service dates are verified. The amount covered by EFSP funds are still outstanding at the time of payment. If the bill is paid more than 10 calendar days prior to the due date, the payment is considered ineligible under EFSP guidelines.
- **Past Due Bill or Disconnect Notice** – These bills are overdue and often will include other service fees. An agency has two options in paying these bills. The options are 1) verify and pay one month's portion of the past due balance - the full

amount paid must still be due in its entirety at the time of payment the Metered Utility Verification form may be used or 2) pay up to \$100 of the past due balance, if at least that amount is owed, without the one-month verification.

If the past due bill has a balance that is more than \$100 and an agency wishes to pay as much as possible to assist the client, as long as it does not exceed one month's assistance, the utility company must be contacted to get a billing and payment history of the client's utility usage that may be covered in the past due or disconnect notice. Once the detail has been received from the utility company, up to the highest one-month bill that is still owed (part of the past due balance on the notice, and the service dates are within the spending period) at the time the agency is making payment may be paid. For example, if the client's May and June bills are still past due when the July bill is received and May is the highest one month of the three, the agency can pay the services for that month. If a portion of May has been paid, only the balance remaining can be paid or one of the other two months that are due on the bill (June or July).

Annex 15: Sample Advertisement

The following advertisement elements and sample advertisement are approved and provided for your convenience. Local Boards are encouraged to use the information in their required advertisement of EFSP funds, but not mandated. Advertisements must acknowledge that EFSP funds are Federal dollars from the Department of Homeland Security (DHS).

Publicizing/Advertising Elements

Local Boards **must** publicize/advertise in the local print media the availability of funds to inform and solicit applications from **all** agencies (including those on Native American reservations) providing or capable of providing emergency food and/or shelter assistance. **Advertisement must appear in paper at least 5 business days prior to the Local Board's allocation of EFSP funds. See below for sample advertisement.**

Advertisements must include:

- Area funded/Local EFSP Board
(Note: The National Board selects only jurisdictions for funding and advertisement must not state that a specific agency has been awarded the grant.);
- Source of funding;
(Note: EFSP funds are Federal funds made available through the U.S. Department of Homeland Security's Federal Emergency Management Agency.)
- Award amount;
- Purpose of funding;
- Priorities/needs that Local Board will address;
- Criteria for eligible agencies;
- Contact name, address and/or phone number for application; and
- Deadline for applying (Local Boards must allow at least five business days after publication for interested agencies to apply and before funding decisions are made.)

Note: All Local Boards must publicly advertise in the most broadly distributed local newspaper covering the jurisdiction. Failure to advertise properly will delay processing of the jurisdiction's board plan and subsequent payment of funds. (A press release is not sufficient unless publication can be verified.) When a news article cannot be obtained, a legal advertisement is acceptable.

In addition to the news article or legal advertisement, Local Boards may also directly notify agencies. Cable access television and radio may only be used to supplement the printed advertisement.

Below are recommended application elements for your convenience. Locals Boards are encouraged to use the information in their application process. All written material used by Local Boards must acknowledge EFSP funds are Federal funds made available through the U.S. Department of Homeland Security's Federal Emergency Management Agency.

Application Elements

Local Boards must have a written application process but EFSP does not mandate a standard application to be used by all Local Boards. However, the National Board advises there is key information that Local Boards should obtain from all applicant agencies. The information gleaned from agency applications should provide the Local Board with the information necessary to make the best funding decisions possible.

Noted below are sample questions that Local Boards might ask of applicant agencies to aid them in their funding decisions. Each Local Board will create their own application form to include information the Local Board deems necessary to evaluate the agency's services and ability to administer the EFSP as a supplemental program.

Local Boards must ensure that their application provides every agency that meets the requirements on the LRO Certification Form the opportunity to apply for funding. See [pages 27-28](#).

Sample Questions:

- **Agency's Legal Name
- **Agency Principal
- **Agency Contact for Application Questions
- **Agency Contact for EFSP, if funded
- **Agency physical address
- **Congressional district where agency is physically located
- **Agency mailing address
- **Agency address for Place of Performance (where the EFSP funded services are provided)
- **Congressional district where agency's EFSP funded services are provided (Place of Performance)
- **Agency phone/fax/email (for individuals above)
- Agency website
- **Agency Federal Employer Identification Number (FEIN)
- ** Agency's DUNS number
- **Amount of EFSP funding requested by program area (food, rent, utilities, etc.)
- Agency operating budget (total)
- **Agency budget for the program area requested (food, rent, utilities, etc.)
- **Copy of agency's most recent annual audit
- **Deadline (date and time) for applications to be received (including contact, mailing address, location for delivery)
- **Is agency non-profit or unit of government?
- **If non-profit, a roster of the agency's volunteer board should be requested
- **Is agency debarred or suspended from receiving funds or doing business with the Federal government?

**Denotes required questions. Most of the required questions provide information that is necessary for the Local Board to submit to the National Board on their Local Board Plan or that comes directly from the LRO Certification Form. All addresses must be complete - street number and name, city, state and Zip Code plus 4.

Note: Local Boards should discuss their application and funding process. They should ensure the process is open and that all agencies are provided the same opportunity in the application process. Local Board member agencies must follow the same process as other applicant agencies.

Who Must Submit Documentation 81

Description: Local Boards are responsible for communicating with Local Recipient Organizations (LROs) and should do so throughout the life cycle of each Phase for which funds are received. Strong communication links are valuable in program administration; constant communication may also help avoid delays in funding/payments and compliance exceptions. Local Boards should develop a communications plan that assists with their responsibility to monitor the EFSP in their jurisdiction.

This Quick Reference Guide is provided to assist in the understanding of the responsibilities of the EFSP Local Board in the area of communications at a glance; it is not a substitute for the *EFSP Responsibilities and Requirements Manual (EFSP Manual)*.

For more complete information on Local Board Responsibilities, please reference the **EFSP Manual**.

Local Board Communications

Local Board Communication – Primary Points:

- Local Board Chair
- Local Board Contact (Point of contact for the Local Board that receives all communications)

Key Communication Periods:

- Advertising of funds and application for funding
- Awarding of funds
- Requesting second payments
- Making reallocations and/or category shifts
- Reporting final expenditures
- Requiring and reviewing of documentation
- Notification of deadlines
- Notification of compliance problems

Examples of Communication:

- Letters or emails to all LROs
- Letters or emails to specific LROs (i.e., food providers, shelter providers)
- Local Board webpage
- Local Board meetings with LROs
- Training of LROs, training of new staff at LRO
- Requesting input from the Local Board, such as reallocation requests

Frequency of Communications:

- Periodically throughout funding cycle
- Upon notification of any program changes from National Board

Why Ongoing Communications:

- LROs need to know who the main point of communication is in their jurisdiction.
- Local Boards are the decision-making body in each jurisdiction and responsible for monitoring the EFSP in their jurisdiction.
- Local Boards can use communications as a monitoring tool and ask for feedback from LROs.
- Local Boards can explain funding and reallocation decisions.
- Local Boards can highlight common compliance problems in various program areas within their jurisdiction.
- Provides an opportunity to know when there are staff changes at LROs.

NOTE: Local Boards can update the LRO's contact information to ensure the information in the EFSP database is accurate and ensure LROs receive notifications from EFSP.

Suggestions for Communications:

- Develop a communications plan
- Ensure communications are ongoing
- Ensure communications are periodic and not just when funds are allocated or reports due
- Ensure communications allow for LRO feedback
- Should be done as part of technical assistance, monitoring and training

Description: The administrative allowance for the EFSP was established by the National Board for use by Local Boards and Local Recipient Organizations (LROs) to help defray the costs of administering this program.

This Quick Reference Guide is provided to assist in the understanding of allowable costs and documentation requirements at a glance; it is not a substitute for the *EFSP Responsibilities and Requirements Manual (EFSP Manual)*. For more complete information on this category, please reference the **EFSP Manual**.

Administrative Allowance

The Local Board decides the awarding of administrative funds to agencies. Agencies are encouraged to apply for funds for administration within their award. EFSP's administrative allowance may only be spent on the costs associated with administering this program. The current administrative allowances are:

Local Boards: 2% of the entire jurisdiction's award; this is part of the award and is not an addition to the award.

- The 2% may be used by the Local Board, OR
- The Local Board may award portions of this 2% to funded agencies for administrative costs.
- No LRO may use more than 2% of their own award for administration.

State Set-Aside Committees (SSAs): One-half of 1% of the SSA's award; this is part of the award and is not an addition to the award.

- The one-half of 1% may be used by the SSA, OR
- SSAs acting as Local Boards funding agencies directly may either use the 2% Local Board allowance OR the one-half of 1% allowance for SSAs—they cannot use both.

Eligible Items:

- Portions of salaries and benefits for employees directly associated with the administration of the EFSP
- Office supplies
- Office equipment
- Mailing costs
- Advertising expenses

Ineligible Items:

- Expenses not directly related to the administration of the EFSP
- Administrative costs exceeding 2% of the total award amount for the jurisdiction
- Lobbying costs
- All food costs/Meals for the Local Board meetings

Documentation Required:

Examples of the types of documentation that must be retained includes (but is not limited to):

- Itemized receipts and invoices
- Receipts must be vendor-generated, must be dated, and must list specific items purchased
- Payroll registers for employees directly involved with EFSP administration

Proof of Payment:

Proof of payment must be attached to all receipts and invoices.

- Submit a copy of canceled checks (front and back), or copy of uncanceled fronts of checks and bank statements.
- Check images included in bank statements are accepted.
- Debit card or electronic payments require bank statement that identifies the vendor by name.
- Credit card payments require canceled check payable to the credit card company.
- Debit and credit cards must be in agency's name.

Spreadsheet for expenditures in this category:

A summary spreadsheet of all expenditures in this category must be provided. The spreadsheet must indicate specific criteria such as check number, check amount, EFSP amount, etc. Sample spreadsheets and instructions for all program categories are available on the EFSP website, efsp.unitedway.org.

NOTE: Although documentation of administrative expenses does not have to be submitted with the LRO Final Report, this documentation must be accessible for submission and/or review on-site or as requested.

The review of administrative documentation may be necessary to comply with audit requirements of the program, including government audits. Per EFSP requirements, all documentation must be retained for three years after the Final Report has been submitted and accepted by the National Board. Please redact (black out) personally identifiable information (i.e., Social Security Number) on registers or other documentation, as necessary.

Description: Funds received under the EFSP are federal funds which must be accounted for under EFSP guidelines as well as federal accountability standards. One of the reviews for which EFSP funds are subject is the Improper Payments Elimination and Recovery Improvement Act of 2012 (IPERIA) which tests for improper payments and includes the recovery of improper payments. All Local Boards and Local Recipient Organizations (LROs) are subject to this review and may be selected at any time for any Phase in which EFSP funds were received.

This Quick Reference Guide is provided to assist in the understanding of the *EFSP Responsibilities and Requirements Manual (EFSP Manual)*. For more complete information on EFSP accountability, audits, cost eligibility, and documentation requirements, please reference the **EFSP Manual**.

What is the IPERIA?

The IPERIA assessment is a federal review conducted by the Department of Homeland Security's (DHS) Federal Emergency Management Agency (FEMA) in compliance with the IPERIA as passed by Congress. This review tests for compliance by Local Boards and LROs with EFSP's expenditure and documentation requirements. Failure to provide appropriate documentation (insufficient) or to spend funds outside the purposes of EFSP (ineligible) can result in improper payments. IPERIA requires that any identified improper payments be recovered.

Why was my agency selected?

LROs are selected through a formula which is statistically based to meet the requirements of IPERIA.

What does my agency need to do?

Provide the required documentation outlined in the EFSP Responsibilities and Requirements Manual for the categories in which your agency was funded. This includes the requirement of a spreadsheet by funding category of all expenditures attributed to EFSP along with the vendor-originated, itemized invoice and proof of payment.

Sample spreadsheets and instructions for each program category are available on the EFSP website, efsp.unitedway.org.

If a form of payment other than a check is used, bank statements, credit card statements, and payments to the credit card company must be provided. Cash payments are ineligible.

How is IPERIA different from the Final Report compliance review?

Documentation should always be correct and complete upon initial submission to EFSP for any purpose. While EFSP works with Local Boards and LROs to resolve documentation problems, due to the timing of IPERIA, LROs must submit the proper documentation initially as there is little, if any, time for problem resolution.

What if my agency is found to have improper payments?

Like EFSP's Final Report compliance review process, any improper payments must be resolved or they will prevent future funds from being paid to the agency. These problems can be resolved through either the submission of appropriate, eligible documentation or the repayment of the improper costs.

Description: The Mass Shelter category is intended to allow mass shelter providers (five beds or more in one location) to provide on-site housing for clients. An agency must be awarded funds under mass shelter by the Local Board in order to have expenditures under the Mass Shelter category.

This Quick Reference Guide is provided to assist in the understanding of allowable costs and documentation requirements at a glance; it is not a substitute for the **EFSP Responsibilities and Requirements Manual (EFSP Manual)**.

For more complete information on this category, please reference the **EFSP Manual**.

Mass Shelter

For mass shelter providers, there are **TWO** options for eligible costs. One option must be selected at the beginning of the program year by the Local Board; eligible LROs must then use only one method throughout the entire spending phase. The two options are:

Option 1: Direct Costs

Agencies may use EFSP funds to purchase supplies essential to shelter individuals in a mass shelter.

Eligible costs include cots, mattresses, soap, linens, blankets, cleaning supplies. Clothing expenses are limited to diapers and underwear only. Limited amounts of personal care products and first aid supplies for use in the shelter are eligible. Certain transportation costs related to the sheltering of a client are eligible. Shelter operational costs and food expenditures are not eligible under this option.

NOTE: All cash payments and payments that are reimbursements to individuals (staff or volunteers) are **INELIGIBLE**. Agencies may not operate as vendors for themselves or other LROs; self-billing is not eligible with this funding.

Option 2: Per Diem Allowance

Agencies may use the per diem allowance to cover operational costs as well as direct expenditures. A per diem allowance of **exactly \$7.50 or \$12.50** per person may be used by mass shelter providers if:

- The rate is approved by the Local Board
- LRO's total mass shelter expenditure is accounted for using this method.

The Local Board may vary the rate between agencies depending on the level of services provided to clients.

Eligible costs within the per diem allowance include operational costs such as the shelter's rent/mortgage, utilities, and staff salaries. Shelter supplies eligible under *Option 1* are also eligible. Expenditures such as maintenance agreements and food expenditures are not eligible.

For a more complete listing of eligible costs under both options, please reference the **EFSP Manual**.

Documentation Required:

NOTE: Local Boards must allocate funds for either the direct expense method (receipts and proof of payment) or the per diem. LROs can use one method to account for all expenditures in this category. Both methods cannot be used.

■ Direct Costs:

- Itemized receipts and invoices are required.
- Receipts must have vendor's name, must be dated, and must list specific items purchased. Vouchers are not sufficient.

■ Per Diem Allowance:

- A per diem schedule is required. Mass Shelter rates must be listed at the rate of either **\$7.50** or **\$12.50** per day.
- Per diem schedule must show a **DAILY** count.
- Dates covered must be within the spending period.
- Agencies are strongly encouraged to use the per diem sample format in the **EFSP Manual**.

■ Proof of Payment:

Proof of payment must be attached to all receipts and invoices.

- Submit a copy of canceled checks (front and back), or copy of uncanceled fronts of checks and bank statements.
- Check images included in bank statements are accepted.
- Debit card or electronic payments require bank statement that identifies the vendor by name.
- Credit card payments require canceled check payable to the credit card company and a credit card statement.
- Debit and credit cards must be in agency's name.

NOTE: Receipts and proof of payment do not have to be submitted to the National Board if your agency is using the per diem method. These must be maintained by your agency.

Spreadsheet for expenditures in this category:

A summary spreadsheet of all expenditures in this category must be provided when using the direct cost method. The spreadsheet must indicate specific criteria such as check number, check amount, EFSP amount, etc. Sample spreadsheets and instructions for all program categories are available on the EFSP website, efsp.unitedway.org.

A spreadsheet is not required when using the daily per diem allowance; see option 2 of this document.

Description: The Other Food category is intended to allow agencies such as food pantries and food banks to pay for the purchase of food items, food vouchers and food gift cards/certificates to assist in the feeding of eligible clients.

This Quick Reference Guide is provided to assist in the understanding of allowable costs and documentation requirements at a glance; it is not a substitute for the **EFSP Responsibilities and Requirements Manual (EFSP Manual)**. For more complete information on this category, please reference the **EFSP Manual**.

Served Meals

For mass feeding facilities, there are **TWO** options for eligible costs. One option must be selected at the beginning of the program year by the Local Board; eligible LROs must then use only one method throughout the entire spending phase. The two options are:

A per meal allowance of exactly **\$2.00** per meal may be used if approved by the Local Board, **AND** if the LRO's total expenditures are accounted for using this method. Eligible costs within the per meal allowance include operational costs such as the agency's rent/mortgage, utilities and staff salaries. Supplies eligible under Option 1 are also eligible.

Documentation Required:

NOTE: Local Boards must allocate funds for either the direct expense method (receipts and proof of payment) or the per meal method and use one method to account for all expenditures in this category. Both methods cannot be used.

Expenditures such as facility repairs, maintenance agreements for equipment and the food expenditures themselves are not eligible under this category.

PROGRAM OVERVIEW

The Emergency Food and Shelter National Board Program (EFSP) is a Federal program administered by the U.S. Department of Homeland Security's Federal Emergency Management Agency (DHS/FEMA). It has been entrusted through the McKinney-Vento Homeless Assistance Act (PL 100-77) "to supplement and expand ongoing efforts to provide shelter, food and supportive services" by local social service organizations for people across our Nation who are hungry, homeless, and in economic crisis.

A National Board, chaired by FEMA, with representatives from American Red Cross; Catholic Charities USA; The Jewish Federations of North America; National Council of the Churches of Christ in the USA; The Salvation Army; and United Way Worldwide, governs the EFSP. The National Board has selected United Way Worldwide to serve as Secretariat and Fiscal Agent to the National Board.

The following National Board operating principles remain in force for Fiscal Year 2021:

- *Efficiency*—fiscal administration, reporting and procedural guidance to Local Boards and LROs
- *Accountability*—good steward of taxpayers' dollars through reasonable oversight and transparency
- *Responsiveness*—prioritize the allocation of supplemental funds to the neediest areas in the nation
- *Partnership*—promote and strengthen collaboration between non-profit organizations and public sector
- *Facilitating*—maximizing appropriate local decision-making through clear guidance and training

The original authorizing legislation (PL 100-77) of the EFSP specifically calls for "sensitivity to the transition from temporary shelter to permanent homes and attention to the specialized needs of homeless individuals with mental and physical disabilities and illness and to facilitate access for homeless individuals to other sources of services and benefits". In accordance with the legislation, the National Board encourages Local Boards to place special emphasis on identification of and assistance to the elderly, families with children, Native Americans, and veterans in addition to the mentally and physically disabled. The authorization, as revised (PL 102-550) in 1992, requires that a homeless or formerly homeless person be a member of each EFSP Local Board. With the supplemental appropriation of \$400,000,000 under *Section 4007 of the American Rescue Plan Act of 2021* (PL 117-2), Congress has provided funding to specifically address the continuing economic impacts of the COVID-19 pandemic.

The \$400,000,000 award by FEMA to the National Board, combined with FEMA's award to the National Board of the \$130,000,000 made available under the *Consolidated Appropriations Act, 2021* (PL 116-260), will bring the total funding distributed to those in need to more than \$5.67 billion over the program's 39-year history. In funded jurisdictions, Local Boards, similar in composition to the National Board, advertise the availability of the funds; establish priorities among community needs; award funds to non-profit and government emergency food and shelter agencies; and help monitor program compliance.

Funded agencies, known as “**Local Recipient Organizations**” (LROs), use EFSP supplemental funds for mass shelter, mass feeding, food distribution through food pantries and food banks, one-month utility payments to prevent service cut-offs, and one-month rent/mortgage assistance to prevent evictions or assist people leaving shelters to establish stable living conditions. In the most recently completed phase of funding, over 8,600 local non-profit and government agencies have received EFSP funds in nearly 2,400 jurisdictions nationwide.

Jurisdictions that qualified for awards were chosen based on the following criteria:

1. most current 12-month national unemployment rates;
2. total number of unemployed within a civil jurisdiction;
3. total number of individuals below the poverty level within a civil jurisdiction; and,
4. the total population of the civil jurisdiction.

More specifically, jurisdictions were selected to receive funding during Phase ARPA-R according to one of the following thresholds:

- Jurisdictions, including balance of counties, with 300 or more unemployed and a 5.6% rate of unemployment.
- Jurisdictions, including balance of counties, with 300 or more unemployed and a 16.6% rate of poverty.

Poverty data was used to compensate for the fact that many in need are not shown in published unemployment statistics. Poverty data used for Phase ARPA-R was obtained from the U. S. Bureau of the Census based on the data collected in the American Community Survey (5-year estimates, 2015 – 2019); the U.S. Bureau of Labor Statistics provided the most recent unemployment data.

With the receipt of this \$400,000,000, the National Board is again reserving a portion of these funds for the State Set-Aside (SSA) Committee process. This process allows for additional flexibility in selecting jurisdictions for funding. The National Board **requires** prior to selecting jurisdictions for funding, that the SSA Committee considers jurisdictions:

- experiencing the most significant negative economic impacts due to the COVID-19 pandemic;
- that previously qualified for the program, but no longer meet the established formula and demonstrate high levels of need;
- with unusually high levels of unemployment or poverty, but do not meet the minimum 300 unemployed threshold;
- that have pockets of homelessness or poverty and do not qualify for direct funding; and/or, that are experiencing recent negative economic changes, such as plant closings.

Through direct and SSA awards, each state receives a minimum of \$250,000.

The National Board will issue grants to LROs awarded funding by Local Boards. However, LROs failing to report and document expenditures under all previous phases of the program, including Phases 37, 38 and CARES, will not be eligible for funding in Phase ARPA-R, until any known outstanding program compliance exceptions are reconciled. The required Final Reports must be received prior to the release of funding. First payments will be made to eligible LROs; second payments will be made to those LROs upon successful completion of the Phases 37, 38 and CARES Final Reports and, as required, any National Board Reallocations compliance review process, including the resolution of any compliance issues in any jurisdiction in which the LRO received funds.

The Emergency Food and Shelter National Board Program (EFSP) is a Federal program administered by the U.S. Department of Homeland Security's Federal Emergency Management Agency (DHS/FEMA). It has been entrusted through the McKinney-Vento Homeless Assistance Act (PL 100-77) "to supplement and expand ongoing efforts to provide shelter, food and supportive services" by local social service organizations for people across our Nation who are hungry, homeless, and in economic crisis.

A National Board, chaired by FEMA, with representatives from American Red Cross; Catholic Charities USA; The Jewish Federations of North America; National Council of the Churches of Christ in the USA; The Salvation Army; and United Way Worldwide, governs the EFSP. The National Board has selected United Way Worldwide to serve as Secretariat and Fiscal Agent to the National Board.

The following National Board operating principles remain in force for Fiscal Year 2022:

- *Efficiency*—fiscal administration, reporting and procedural guidance to Local Boards and LROs
- *Accountability*—good steward of taxpayers' dollars through reasonable oversight and transparency
- *Responsiveness*—prioritize the allocation of supplemental funds to the neediest areas in the nation
- *Partnership*—promote and strengthen collaboration between non-profit organizations and public sector
- *Facilitating*—maximizing appropriate local decision-making through clear guidance and training

The original authorizing legislation (PL 100-77) of the EFSP specifically calls for "sensitivity to the transition from temporary shelter to permanent homes and attention to the specialized needs of homeless individuals with mental and physical disabilities and illness and to facilitate access for homeless individuals to other sources of services and benefits". In accordance with the legislation, the National Board encourages Local Boards to place special emphasis on identification of and assistance to the elderly, families with children, Native Americans, and veterans in addition to the mentally and physically disabled. The authorization, as revised (PL 102-550) in 1992, requires that a homeless or formerly homeless person be a member of each EFSP Local Board.

This year's award of \$130,000,000 brings the total distributed to more than \$6.02 billion over the program's 39-year history. In funded jurisdictions, Local Boards, similar in composition to the National Board, advertise the availability of the funds; establish priorities among community needs; award funds to non-profit and government emergency food and shelter agencies; and, help monitor program compliance.

Funded agencies, known as "**Local Recipient Organizations**" (LROs), use EFSP supplemental funds for mass shelter, mass feeding, food distribution through food pantries and food banks, one-month utility payments to prevent service cut-offs, and one-month rent/mortgage assistance to prevent evictions or assist people leaving shelters to establish stable living conditions. In the most recently completed phase of funding, over 8,600 local non-profit and government agencies have received EFSP funds in nearly 2,400 jurisdictions nationwide.

Jurisdictions that qualified for awards were chosen based on the following criteria:

1. most current 12-month national unemployment rates;
2. total number of unemployed within a civil jurisdiction;
3. total number of individuals below the poverty level within a civil jurisdiction; and,
4. the total population of the civil jurisdiction.

More specifically, jurisdictions were selected to receive funding during Phase 40 according to one of the following thresholds:

- Jurisdictions, including balance of counties, with 300 or more unemployed and a 3.9% rate of unemployment.
- Jurisdictions, including balance of counties, with 300 or more unemployed and a 12.8% rate of poverty.

Poverty data was used to compensate for the fact that many in need are not shown in published unemployment statistics. Poverty data used for Phase 40 was obtained from the U. S. Bureau of the Census based on the data collected in the American Community Survey (5-year estimates, 2016 – 2020); the U.S. Bureau of Labor Statistics provided the most recent unemployment data.

With the receipt of the \$130,000,000 for use in FY 2022 (Phase 40), the National Board is again reserving a portion of these funds for the State Set-Aside (SSA) Committee process. This process allows for additional flexibility in selecting jurisdictions for funding. The National Board **requires** prior to selecting jurisdictions for funding, that the SSA Committee considers jurisdictions:

- that previously qualified for the program, but no longer meet the established formula and demonstrate high levels of need;
- with unusually high levels of unemployment or poverty, but do not meet the minimum 300 unemployed threshold;
- that have pockets of homelessness or poverty and do not qualify for direct funding; and/or,
- that are experiencing recent negative economic changes, such as plant closings.

Through direct and SSA awards, each state receives a minimum of \$250,000.

The National Board will issue grants to LROs awarded funding by Local Boards. However, LROs failing to report and document expenditures under all previous phases of the program, including Phases 37, 38 and CARES, will not be eligible for funding in Phase 40, until any known outstanding program compliance exceptions are reconciled. The required Final Reports must be received prior to the release of funding. First payments will be made to eligible LROs; second payments will be made upon successful completion of the Phases 37, 38 and CARES Final Reports and, as required, any National Board Reallocations compliance review process, including the resolution of any compliance issues in any jurisdiction in which the LRO received funds.
